**Embedded Systems**

Department of ECE has organized a one week ICT based program on Embedded systems from 09-10-2017 to 13-10-2017. The main objective of this program was to provide an opportunity to faculty members and research scholars to enrich knowledge and enhance their professional growth by acquiring knowledge from various specialists from both industry and academia. This workshop was beneficial for the participants who were interested to learn and cultivate new thoughts in the field of Embedded systems. The workshop was successfully attended by 15 research scholars of the university and various faculty members from ECE, IT, CSE and MAE department of IGDTUW.

This workshop has comprised lectures delivered by experts from IIT Roorkee, IIT Ropar, NIT Kurukshetra, NIT Hamirpur, NITRR Chandigarh and design engineers from Semiconductor Laboratory, Mohali ; Cadre design system, New, Delhi & Entuple technologies, New Delhi.
