

Dept of IT has organized two week training programme on cyber security, cyber crime investigation for Delhi Police during **31.07.2017 to 11.08.2017**. This training Programme is one of the collaborative efforts between IGDTUW and Delhi Police to address various issues related to Cyber Crime Investigation and Social Media. The detailed plan of the course has been designed by consulting the security domain experts of Law enforcement agencies and the Cyber Faculty members of PTC. The objective of the training Programme was to equip the delhi Police with necessary capacity and enhance the capabilities to deal with Cyber Security and Cyber Crime investigation.

The broad topics on Cyber Security, Forensics, It act and Social Media Analytics was covered followed by hands on experimentation, quizzes and certification. The lectures were delivered by the experts from CDAC, Faculty members of IT Dept, faculty member of PTC and practicing cyber experts from supreme court of India.

The successful police inspectors (30) and 5 students of IGDTUW were distributed the completion certificate by Vice Chancellor, IGDTUW, Special Police Commisioner ( Law & Order), Special Commisioner ( Training) .
