## **Electronic design automation Tools**

**(18-02-2019 to 22-02-2019)**

The Department of ECE at Indira Gandhi Delhi Technical University for Women have organized a One week Short Term Course for Hands on Training on various Electronic design automation Tools from 18th February- 22nd February, 2019. 38 students pursuing B. Tech and M. Tech. degrees attended the course from IGDTUW and other colleges. The short term course covered the Basics of Xilinx Vivado, MATLAB and hands on session on Basys 3 Boards. Experts from Core EL Technologies and MATLAB conducted all the Sessions. This course proved to be beneficial for B.Tech and M. Tech who are interested to learn and cultivate new thoughts in the field of Electronic Design and Automation Tools.
