**Guidelines for Students
For Upgradation of Branch**

(Created on 25th May 2019)

Student Academic Upgradation Module

1. Introduction:

To facilitate upgradation of B.Tech 3rd Semester students on the basis of merit upgradation module is developed integrated with the examination module.

Upgradation module focuses on upgradation of meritorious students on the basis of their choice of upgradation and available vacancy.

Students when promoted to 3rd Semester can apply for the upgradation procedure by clicking on the upgrade tab after login into the examination portal.

2. Important points to be noted by students:

I) Upgradation process is on the basis of performance (weighted average in 1st and 2nd semester of B.Tech programme and to the availability of vacant seats in the stream.

II) In the event of being successful in upgradation/change of stream from my present branch/stream to the branch as per my option, student cannot request for withdrawal of application of upgradation.

III) Students with active backlogs cannot exercise this option of upgradation.

IV) Once applications has been freezed and submitted it cannot be withdrawn at an cost whatsoever.

3. Upgradation Module:

Steps To Follow:

i) Students willing to upgrade their branch/change of stream can fill the application by login to the examination portal and clicking on upgradation tab. Only students without active backlogs can access this feature. Upon clicking students a student will have to accept the terms and conditions for upgradation without which it cannot move forward. Once this is done she will be able to view the weighted performance of 1st and 2nd performance.

ii) Students will then be asked to submit their 3 preferences in order for upgradation of branch. It should be noted here that students has the option to edit their preferences at a later stage until she does not *freeze her application, after which a student cannot edit her preferences.*

Also an unfreezed application will not be considered for upgradation.

iii) Once the application is freezed the student will be able to view a print out of their application. A student is required to submit a hard copy of this application duly signed on or before the deadline at the academics division. *If a student is unable to submit the hard copy of their application, she would not be considered for upgradation.*

iv) Once the hard copy has been submitted, the student will be notified via email her status of upgradation when the procedure is complete.

4. Login to Exam Portal with new Enrollment Number of Upgraded Branch

Once a student has been notified that she has been upgraded to a new branch, she has to login to the exam portal using the new userid(enrollment number) and old password and register papers for the semester.
