SEPT'18

RANG DE

As part of "Rang De", the rotaractors from RCIGDTUW, along with the officials of other clubs, went to Pahal NGO. The visit was a memorable experience for all as we got together, with brushes and colors in our hands, to paint a room all by ourselves. Knowing that we turned some shabby old walls to a vibrant room for kids to study brings a happiness that's beyond words.

ANIMAL CARE

Members of RCIGDTUW visited many animal shelters, like FRIENDICOES and Sanjay Gandhi Animal Care Shelter. Rotractors spent quality time with cute four-legged animals via walks and celebration of their birthdays. RCIGDTUW also donated raw food item that dogs, cats and other animals in the shelter can consume.

GENDER SENSITIZATION

A workshop in collaboration with the Delhi Police was conducted on the above topic. It focused on building a healthy mindset towards a wide spectrum of sexual identities. The session was taken by a DU lecturer, Prof. Shashi Rani.

SWACHTA SANCHAY

Under the project "स्वच्छता संचय", RCIGDTUW installed green and gray colored dustbins on every floor of our campus. This project was done in order to promote a cleaner Earth in the youth community.

NOV 2018

SANCHAY

RCIGDTUW organized a quirky awareness program "Sarang" on the need to save water under our "water and sanitation project". Under this program, a Rotaractor dressed as a peaceful water diva, was sitting in our campus with an empty bucket asking the people to fill her bucket with the water they had saved. Via this, program we were able to generate awareness about a grave problem and sparked off a discussion among the youth through this program.

To enhance the WEB DEVELOPMENT skills
• Topics to be covered: HTML, CSS, BOOTSTRAP.
• Duration of project : August - November
• Venue : Butler Memorial Girl's Senior Secondary School (Tis Hazari)

LEAP: KILKARI

LEAP aims at the sustainable development of a community in the field of education. Focusing on one locality of New Delhi, that is Kashmere Gate. The project targets literacy of children and adults, skill development in the underprivileged and privileged section of the society along with community participation. The project included movie screenings, meaningful discussions and teaching important lessons via games. It was a method to truly reach the community.

TEACH

TEACH is an interactive series of Web development coaching launched by RCIGDTUW in order to teach the students one of the blooming fields of computer science and promote e-education simultaneously. This series helps girls of government school to make them eligible for UX/UI designer jobs at various startups and data entry jobs. It also aided in the preparation of class XII boards. As these skills are required immensely, it will also help the girls to grab a data entry or front-end job which could change their life.

LEAP: SOCIAL LIBRARY

It is an event that encourages honest, free and unbiased conversation between individuals. 5 human books were invited from a plethora of backgrounds. Participants engaged in a non-judgmental conversation with the books about their lives and that of the books as well. These conversations prove to be cathartic and therapeutic for the participants. It provided a new outlook, and a more positive perspective on life.

The Unnat Bharat Abhiyan Cell of Indira Gandhi Delhi Technical University for Women, Kashmere Gate organized a Painting Competition on the theme 'Save Water'. The event, led by Ar. Kshitij Kumar Sinha (UBA Co-ordinator, DAP, IGDTUW), along with Ar. Vishal Rai (HOD, DAP, IGDTUW) and Mr. Rishabh Kaushal (IT Deptt, IGDTUW) was organized in Government Girls Senior Secondary School, Nathupura, Burari, on 6th March, 2020. The event was organized with kind support and coordination of the school Principal Mrs. Geeta Rani and other members of school administration.

During the event the students were made aware about the aims and objectives of Unnat Bharat Abhiyan and were enlightened about the need and ways of water conservation. Further, awareness on Women Education and Empowerment was spread, and information regarding various future opportunities offered in the society on various career fronts was provided. Volunteers from IGDTUW tried to lighten the atmosphere by interacting with students and sharing their experiences. Videos and presentations on need of water conservation and how a single man's initiative can change the world were imparted during the session. Glimpses of college life were shared, followed by briefing on the competition and its initiation.

Around 50 students of 9th and 10th standard participated on the competition. Each student was equipped with a drawing kit for the competition and were given an hour to paint a drawing on the theme 'Save Water'. First three winners were felicitated and participation certificate was awarded to all the participants.

इंजीनियरिंग छात्राओं से बृहस्पतिवार को कार के संबंध में जानकारी लेती सीएम शीला दीक्षित।

देश का पहला महिला तकनीकी विवि शुरू

नई दिल्ली। देश के पहले महिला तकनीकी विश्वविद्यालय की मुख्यमंत्री शीला दीक्षित ने औपचारिक शुरुआत की। बृहस्पतिवार को इंदिरा गांधी दिल्ली तकनीकी विवि के उद्घाटन कार्यक्रम में उच्च शिक्षा तथा प्रशिक्षण एवं तकनीकी शिक्षा मंत्री एके वालिया, कुलपति प्रोफेसर नूपुर प्रकाश के अलावा विवि स्टाफ और छात्राएं मौजूद थीं।

इस मौके पर सीएम ने कहा कि तकनीकी शिक्षा में महिलाओं की भागीदारी देश के आर्थिक विकास और तरक्की में अहम भूमिका निभाएगी। आईजीडीटीयू महिलाओं को गुणवत्ता पूर्ण शिक्षा देने के लिए स्थापित किया गया है। वहीं कुलपति प्रो. नूपुर प्रकाश ने बताया कि पिछले 15 वर्षों में संस्थान दिल्ली व एनसीआर की छात्राओं के बीच प्रतिष्ठित इंजीनियरिंग कॉलेज के रूप में उभरा है। ब्यूरो

● अमर उजाला ब्यूरो

नई दिल्ली। इंदिरा गांधी दिल्ली महिला तकनीकी विवि की छात्राओं ने अनोखी इको कार बनाई है, जो सस्ती व पर्यावरण अनुकूल होने के साथ पुराने वाहनों के पुर्जों से डिजाइन की गई है। इस शैल इको मैराथन (कार का नाम) के डिजाइन में बांस, स्कूटी इंजन, साइकिल व फाइबर प्लास्टिक का प्रयोग किया गया है। यह भारतीय जुगाड़ डिजाइन अगले महीने मलेशिया के स्पंग इंटरनेशनल सर्किट में दमखम दिखाएगा।

● अगले माह मलेशिया में दमखम दिखाएगा यह जुगाड़ वाहन

विवि के औपचारिक उद्घाटन के समय बृहस्पतिवार को छात्राओं की यह कार डिस्प्ले की गई। मैकेनिकल इंजीनियरिंग विभाग की छात्रा व टीम हेड इशिता सहगल के अनुसार, इस वाहन का फ्रेम बांस की लकड़ियों से तैयार किया गया है, जिस पर हॉंडा एक्टिवा का 102 सीसी इंजन और साइकिल के तीन टायर लगाए गए हैं। इको वाहन होने के चलते व वजन कम करने के लिए इस अनोखी कार की बॉडी फाइबर रीइन्फोर्स प्लास्टिक से तैयार हुई है।

सेनेटरी नैपकिन से अब मिट्टी नहीं होगी प्रदूषित

सीमा शर्मा

नई दिल्ली। सेनेटरी नैपकिन से अब मिट्टी या जमीन प्रदूषित नहीं होगी। इंजीनियरिंग की छात्राओं ने नैपकिन को गलाने की तकनीक ईजाद की है। इसमें सेनेटरी नैपकिन राख बन जाएगी। यह राख लोहे की सफाई में प्रयोग होगी। इस तकनीक से प्रदूषण में कमी आएगी और मिट्टी के बर्तन बनाने वालों को रोजगार का मौका मिलेगा। इंदिरा गांधी दिल्ली तकनीकी महिला विश्वविद्यालय की बीटेक की 36 छात्राओं की टीम ने सामाजिक सरोकार में यह अनोखी तकनीक तैयार की है। टीम की प्रोजेक्ट मैनेजर सुमेधा और गुरुमिशा के मुताबिक, मासिक धर्म में महिलाओं व बच्चियों को बीमारियों से बचाने के लिए सेनेटरी नैपकिन का प्रयोग जरूरी है। जो सेनेटरी नैपकिन मार्केट में उपलब्ध हैं, वे जमीन में जाकर खत्म नहीं होते हैं। क्योंकि यह बायोडिग्रेडिबल नहीं है। एक रिसर्च के मुताबिक, सेनेटरी नैपकिन में प्रयोग होने वाला प्लास्टिक रूपी पॉलिथीन सैकड़ों

एक कार्बन फिल्टर 700 नैपकिन लगाएगा ठिकाने

टीम सदस्यों के अनुसार, एक कार्बन फिल्टर 600 से 700 सेनेटरी नैपकिन को ठिकाने लगाने की क्षमता रखता है। फिलहाल दिल्ली में चार स्थानों पर पायलट प्रोजेक्ट सफल रहा है। टीम इस तकनीक को जल्द की पेटेंट करवाने के लिए आवेदन करेगी। मिट्टी से तैयार प्रति गमला तैयार करवाने के लिए कुम्हार समुदाय को 3500 रुपये दिए जा रहे हैं। जबकि इस पूरी तकनीक रूपी इस्टब्लिन को तैयार करने में पांच हजार रुपये का खर्चा आया है।

टेराकोटा, सीमेंट व बले से बनाया डिजाइन

सेनेटरी नैपकिन को खत्म करने के लिए टेराकोटा, सीमेंट व बले से एक बड़ा सा गमले की शेप का इस्टब्लिन तैयार किया गया है। यह इस प्रकार तैयार किया गया है जो कि 400 डिग्री तापमान में भी काम कर सकता है। इस गमले के अंदर एक स्टील की प्लेट लगी है। इसी गमले में एकटीकेटेड कार्बन फिल्टर भी लगाया गया है। सेनेटरी नैपकिन को प्रयोग के बाद इस इस्टब्लिन में डालकर एक साइड से आग लगा दें। सेनेटरी नैपकिन जलने से दो प्रकार का केमिकल धुंआ बनकर निकलता है। इस धुंए को एक्टिवेटेड कार्बन फिल्टर सोख लेगा। अखिर में जो राख बचेगी, उसे ग्लास और मेटल क्लीनर में प्रयोग करने वाली कंपनी 80 रुपये प्रति 100 ग्राम के हिसाब से खरीदती है।

Sub: Identification of villages under the Unnat Bharat Abhiyan (UBA) program and request for conduct of Aam Sabha in Burari village

Sir,

In continuation of our earlier letter vide F.No. IGDTUW/SW-UBA(01)/2018/1018 dated 12.10.2018 and subsequent communication vide letter no. F.No.IGDTUW/SW-UBA(01)/2018/3162 dated 21.08.2019 pertaining to matter cited above and based on our experience of activities conducted in Burari village last year, we wish to inform you that we have identified four more villages under Civil Lines subdivision of the Central District for adoption under Unnat Bharat Abhiyan (UBA). The villages identified are as follows:

1. Jhadoda Majra,
2. Salempur Majra
3. Kamal Pur Majra
4. Jagat Pur and
5. Burari village

Out of the above villages, we have already conducted household and village survey in Burari village with your kind support and advice of Mr. Pradeep Tayal, SDM Civil Lines. We would also like to share the findings and proposals of the survey conducted with the local community and administration in order to validate our findings and incorporate their valuable suggestions in the proposal formulation. For this, we request you to kindly help us to organize the first Aam Sabha with village community and local administration in March 2020 (preferably on 12th March 2020 at 1100hrs).

In view of the above, we request you to provide all possible help to our Coordinator, Ar. Kshitij Kumar Sinha, for successful conduct of UBA activities in the above identified villages.

Regards.

Yours Sincerely,

[Dr. (Mrs.) Amita Dev]
Vice Chancellor

RANG DE

As part of "Rang De", the rotaractors from RCIGDTUW, along with the officials of other clubs, went to Pahal NGO. The visit was a memorable experience for all as we got together, with brushes and colors in our hands, to paint a room all by ourselves. Knowing that we turned some shabby old walls to a vibrant room for kids to study brings a happiness that's beyond words.

ANIMAL CARE

Members of RCIGDTUW visited many animal shelters, like FRIENDICOES and Sanjay Gandhi Animal Care Shelter. Rotractors spent quality time with cute four-legged animals via walks and celebration of their birthdays. RCIGDTUW also donated raw food item that dogs, cats and other animals in the shelter can consume.

Under the project "स्वच्छता संचय", RCIGDTUW installed green and gray colored dustbins on every floor of our campus. This project was done in order to promote a cleaner Earth in the youth community.

NOV 2018

SANCHAY

RCIGDTUW organized a quirky awareness program "Sarang" on the need to save water under our "water and sanitation project". Under this program, a Rotaractor dressed as a peaceful water diva, was sitting in our campus with an empty bucket asking the people to fill her bucket with the water they had saved. Via this, program we were able to generate awareness about a grave problem and sparked off a discussion among the youth through this program.

Rotaract club of IGDTUW presents
To enhance the WEB DEVELOPMENT skills
• Topics to be covered: HTML, CSS, BOOTSTRAP.
• Duration of project : August - November
• Venue : Butler Memorial Girl's Senior Secondary School (Tis Hazari)

LEAP: KILKARI

LEAP aims at the sustainable development of a community in the field of education. Focusing on one locality of New Delhi, that is Kashmere Gate. The project targets literacy of children and adults, skill development in the underprivileged and privileged section of the society along with community participation. The project included movie screenings, meaningful discussions and teaching important lessons via games. It was a method to truly reach the community.

TEACH

TEACH is an interactive series of Web development coaching launched by RCIGDTUW in order to teach the students one of the blooming fields of computer science and promote e-education simultaneously. This series helps girls of government school to make them eligible for UX/UI designer jobs at various startups and data entry jobs. It also aided in the preparation of class XII boards. As these skills are required immensely, it will also help the girls to grab a data entry or front-end job which could change their life.

LEAP: SOCIAL LIBRARY

It is an event that encourages honest, free and unbiased conversation between individuals. 5 human books were invited from a plethora of backgrounds. Participants engaged in a non-judgmental conversation with the books about their lives and that of the books as well. These conversations prove to be cathartic and therapeutic for the participants. It provided a new outlook, and a more positive perspective on life.

On the occasion of International Friendship Day we organized *The Friendship Week* where one would post a picture with your friend on your social media sharing the most special moment of your friendship. One could also celebrate this day by tying bands to the street children/ orphanage, old age homes and send the pictures. This was a joyful celebration of togetherness.

LETTERHEAD EXCHANGES

Letterhead exchanges aren't just about exchanging pieces of paper. It's about the exchanging of thoughts, plans and hopefully later on, action. It's truly about the spirit of Rotaract; unity in the community.

CV MAKING SEMINAR

Rotaract focuses to work towards the personal and professional development of each and every member of the club. Hence, a "CV making workshop" was organized which included a practical experience of CV-making by a professional trainer through a video.

No. INSPIRE Fellowship/ECM/2019-1

Dated: 11th July, 2019

Subject: Expert Committee for the INSPIRE Fellowship Component of INSPIRE Program.

Dear Dr. Arun Sharma,

This is to inform you that the "Innovation in Science Pursuit for Inspired Research (INSPIRE)" is being implemented by the Department of Science & Technology for more than 8 years. It has several components and one of the components is "INSPIRE Fellowship". Under this Component, fellowship is provided to students who are either 1st Rank holders in M.Sc. or are INSPIRE-SHE scholars with 70% marks in aggregate in M.Sc., to pursue Ph.D. in both basic and applied science subjects including Agriculture, Medicine, Pharmacy, Veterinary etc. Under this Scheme, applications are sought online from eligible candidates through a national-level announcement. As per the selection procedure laid down for this component, these applications are first screened by a Departmental Screening Committee (Level-1 selection) followed by final selection of the candidates by an Expert Committee (Level-2 selection).

To offer its advice and guidance regarding the implementation of the INSPIRE Fellowship Scheme, the Department of Science & Technology has constituted a Standing Committee under the Chairmanship of Prof. G.V.R. Prasad, Delhi University, Delhi. The composition of the Standing Committee is given in Annexure-I. Apart from this, an Expert Committee for the purpose of evaluation of applications at Level-2 selection stage has been constituted and you have been nominated as a Member of this Expert Committee. The composition of the Expert Committee is given in Annexure-II. We shall be grateful if you please accept the membership of this (Level-2) Expert Committee. The same may please be communicated to Dr. Umesh Kr. Sharma, Scientist 'E' at uk.sharma@nic.in and to Ms. Tamanna Arora, Scientist 'C' at tamanna.arora@gov.in. The process of evaluation of applications on the online portal is given in Annexure-III.

Yours Sincerely,

(Umesh Kr. Sharma)

TEACH
Rotaract club of IGDTUW presents
To enhance the WEB DEVELOPMENT skills
• Topics to be covered: HTML, CSS, BOOTSTRAP.
• Duration of project : August - November
• Venue : Butler Memorial Girl's Senior Secondary School (Tis Hazari)

LEAP: KILKARI

LEAP aims at the sustainable development of a community in the field of education. Focusing on one locality of New Delhi, that is Kashmere Gate. The project targets literacy of children and adults, skill development in the underprivileged and privileged section of the society along with community participation. The project included movie screenings, meaningful discussions and teaching important lessons via games. It was a method to truly reach the community.

TEACH

TEACH is an interactive series of Web development coaching launched by RCIGDTUW in order to teach the students one of the blooming fields of computer science and promote e-education simultaneously. This series helps girls of government school to make them eligible for UX/UI designer jobs at various startups and data entry jobs. It also aided in the preparation of class XII boards. As these skills are required immensely, it will also help the girls to grab a data entry or front-end job which could change their life.

LEAP: SOCIAL LIBRARY

It is an event that encourages honest, free and unbiased conversation between individuals. 5 human books were invited from a plethora of backgrounds. Participants engaged in a non-judgmental conversation with the books about their lives and that of the books as well. These conversations prove to be cathartic and therapeutic for the participants. It provided a new outlook, and a more positive perspective on life.

INTERNATIONAL EVENTS

“LITERACY IS A BRIDGE FROM MISERY TO HOPE.”
HENCE, RCIGDTUW TAKES SPECIAL MEASURES TO SPREAD LITERACY IN THE COMMUNITY.

AUG 2018

FRIENDSHIP WEEK

On the occasion of International Friendship Day we organized *The Friendship Week* where one would post a picture with your friend on your social media sharing the most special moment of your friendship. One could also celebrate this day by tying bands to the street children/ orphanage, old age homes and send the pictures. This was a joyful celebration of togetherness.

LETTERHEAD EXCHANGES

Letterhead exchanges aren't just about exchanging pieces of paper. It's about the exchanging of thoughts, plans and hopefully later on, action. It's truly about the spirit of Rotaract; unity in the community.

CV MAKING SEMINAR

Rotaract focuses to work towards the personal and professional development of each and every member of the club. Hence, a "CV making workshop" was organized which included a practical experience of CV-making by a professional trainer through a video.
