With reference to rechecking result of Dec 2019,
 It is submitted that the student name **Ms. Riya Dabas**, having enrolment no **15201012018**, subject code **BCS-207** has applied for rechecking. In that answer sheet, it is found that, there is some discrepancy in the marking of answer sheet along with totalling mistake. Where teacher has been called and rectified. So the Changes are as under in the external marks. Now the new External marks in that paper code is **28** instead of **23**.

MARKS BEFORE RE-CHECK : 23
MARKS AFTER RE-CHECK : 28

S.No	Enrollment No	Name	Before Re-checking in BCS-207			After Re-checking in BCS-207		
			I	E	T	I	E	T
1	15201012018	Ms. Riya Dabas	19	23	42	19	28	47

Now, As per our examination policy maximum 5 marks can be given for Moderation for a student in that semester examination (Including re-appear and Regular). The undersigned has verified the regular result (copy of the result sheet is attached), and it is found that the student has not availed any grace marks in any of the paper for the first semester i.e in 3rd Semester and in our record she has appeared three reappear paper in first semester, but in that case also, she has not availed any grace marks (copy of the result is attached), so in the view of the above we may put three marks grace in this paper code, and now the new marks for that paper code is as follows.

S.No	Enrollment No	Name	Before Moderation in BCS-207			After Moderation in BCS-207		
			I	E	T	I	E	T

Case-1

Examination Division contacted concerned faculty Dr. Tina choudhary regarding this matter, she has again clarified as follows:- (placed at 186/c)

"Six students' marks have been uploaded wrong in B. Tech 3rd year BMA-308 MCTD theory. I informed students to review the paper after checking and after that I sent marks to the Evaluation center. But some students reviewed their paper late. There were some changes in their marks so I updated their marks and sent the corrected list of marks to the Evaluation center. Due to some miscommunication it was not updated on time. XX

I apologize for the mistake and delay of submission of correct marks of those students. This is my humble request to please consider this case so that students would not suffer."

Case-2

HoD CSE has submitted following information through email (placed at 181-182/c)

Subject: - Revision in the result of End Term Reappear Result B. Arch 3rd Semester, December 2019.

Result of End semester examination, December 2019 of B.Tech, M.Tech, MCA and B.Arch programmes were declared on 17.02.2020. One case regarding revision of the result have been reported to the examination division lately.

Examination division has received the request from Samdriht Kaur (Enrll. No 01706142017) student of B.Arch programme on 10th August, 2020 (201/c) and furnished below is the fact of the case:-

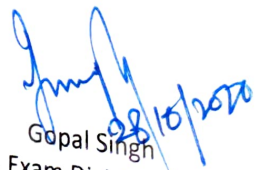

1. Samdriht Kaur has informed to the examination division regarding discrepancy in the marks of internal component of the subject Architectural Design-III (BAP 201) of third semester and requested to rectify her internal marks so that her result for the third semester could be improved and may be declared cleared.
2. While processing her application, it was found that the student has submitted the Reappear form (189/c) to appear for the subject Architectural Design (BAP 201) with the next batch of students in Dec, 2019 where she had mentioned not to appear in the minor exam of the said subject. But it seems that she did appear in the minor exam of the said subject.
3. Accordingly her internal marks were not uploaded in the exam portal as her name did not appear in the Architectural Design-III (BAP 201) award list for internal marks (188/c).
4. As per the award sheet attached, the teacher has not submitted any manual marks also to exam division and also the concerned student did not report to the exam division within fifteen days after the declaration of result as per the rechecking notice (ref. examination ordinance 10(2) (Non CBCS).
5. As per examination ordinance clause 10(3) " the re-appearing students who secured less than 50% marks in the teacher's continuous evaluation have the option to repeat and improve the two class tests performance with the next batch of students. In such cases the student will request for such improvement in the beginning of the said semester to the Head of Department and the improved internal marks, if received from the Department concerned at least 7 days before the commencement of the End Term Exam shall be considered otherwise the previous internal marks already obtained by the student shall be taken into account without any modification".
6. Hence, in the result declared on 17.02.2020 previous internal marks obtained in the said subject had taken into account without any modification (187/c).
7. Now after so many days, in the interest of student Exam division has requested HOD,Arch. to direct the concerned faculty member to submit her internal marks in the proper format along with all the copy of answer sheet/ practical file/studio portfolio to the exam division, subject to approval of CA.
8. Accordingly, the concerned faculty Ar. Sahnabi Kalita has submitted the award sheet of the improved internal marks (198/c) of Samdriht Kaur (01706142017) in the subject Architectural Design-III (BAP 201) along with design portfolio as a proof through HOD, Arch. to Exam Division.

If agreed, in the interest of student we may revise the End Term Reappear Result B.Arch 3rd Semester, December, 2019 of Samdriht Kaur (01706142017) given as below subject to the approval of CA.

S.No	Enrollment No	Name of the Student	Subject Code	Before Revision			After Revision

There is another revision of External marks for the following student (application placed at ~~184-191/c~~) in paper code BAS 101 due to not clear vision of PDF file on wheebox portal (Online Examination agency). The complete report received from wheebox is placed at ~~193-199/c~~ and it is found that, the image file of answer sheet (which was uploaded on portal), was the mirror image of the answer sheet. Subject : Discrepancy in the reappear marks

Respected Sir

This is to bring in your kind notice that I Samdriht Kaur (Enroll. No.: 01706142017) gave my final examinations for the sixth semester. Last semester (i.e. fifth semester) I gave a reappear examination for the subject Architectural Design (BAP 201) which was supposed to be for the third semester. With the results of the fifth semester I came to know that I have been given a reappear in this subject again.

Originally, in my third semester I was given a score of 10 in my internals and in the reappear too same marks have been allotted. It seems that the system is automatically picking up the original marks. After having a word with the teachers I found out that the portal for marking didn't have my name for the internal markings even though I filled my reappear form with the information of being marked for my internals as well.

I request you to kindly take necessary action and issue instructions to the concerned branch to rectify my internal marks so that my result for the third semester could be improved and I may be declared cleared. I would be really grateful to you for further guidance to me on the issue.

Thanking you

Yours sincerely
Samdriht Kaur

Subject: My marks are uploaded incorrect as my name is not included in the list of internal marks.

Respected Sir,

This is to kindly inform you that I have given Minor-1 and Minor-2 exam of Electrical Science (reappear) in May 2019 but my marks are not uploaded correct on the portal. I have verified the marks in front of Maria Ma'am, the examiner of my exam. Also, I have checked the list of internal marks in Examination Division, my name is not in the list. That's why my previous marks has been uploaded. But there is a huge difference in my actual and previous marks so its affecting my overall percentage. Kindly take an action regarding it so that my correct marks could be uploaded.

Also, I am attaching the copies of my Minor-1 and Minor-2 exams for your kind verification.

Thanking You
Yours sincerely
