PLACEMENT REPORT 2019-2020 CSE, ECE & IT

Indira Gandhi tech univ students beat slowdown, bag offers from MNCs

GAYATHRI MANI @ NewDeUs

THE Covid-19 pandemic has put the brakes on the economy, resulted in job losses and salary cuts, and even suspended recruitment, but none of that seems to have stopped top multinationals to go head hunting at Indira Gandhi Delhi Technical University for Women.

Students of the IGDТУW beat the downturn, bagging pre-placement offers from companies such as Microsoft,

Walmart and others at whopping salary packages.

According to Jasdeep Dhanoo, training and placement officer at the IGDТУW, the on-campus placement drive is yet to start but 13 students have already received pre-placement offers of Rs 45 lakh per annum from Microsoft after their internship with a 92.8% conversion rate.

24-Aug-2021

Congratulations Astha,

Welcome to CIBC. We are excited to offer you the position of Associate, Technology Leadership Advancement Program, Regular Full time, Level 7, with Canadian Imperial Bank of Commerce (Canada) ("CIBC"). Your expected start date is 2-Aug-2022. This is a 24-month rotational program with an expected end date of 2-Aug-2024 if you do not find a regular position following the rotational program, and is subject to earlier termination in accordance with the terms of the enclosed Employment Agreement. If you accept this offer, you will be joining an inclusive team, dedicated to doing what's right for our clients and delivering excellence, every day. We are working together to become the relationship-oriented bank for a modern world and we want you to be a part of our journey.

Your annualized base salary, payable on a bi-weekly basis, will be CAD\$83,000.00.

You'll be eligible to participate in the Annual Incentive Plan as part of our Goals – Performance – Success Program (GPS). Your GPS Incentive Award target will be 12% of your eligible fiscal earnings. Your actual GPS Incentive Award amount will be determined based on organizational and individual performance results relative to goals over the plan year. We encourage you to review the Annual Incentive Plan Term Sheet that summarizes the terms and conditions of the plan, which may be amended from time to time.

All payments made to you are subject to applicable taxes, withholdings and deductions.

Your work schedule will be determined by CIBC based on business needs, however schedules are subject to change and may include evenings, weekends and holidays, as directed by CIBC.

As part of our team, you will have access to competitive benefits, including: medical, dental, and pension. You will be eligible for 3 weeks of vacation entitlement per calendar year, in accordance with the Vacation Policy (Canada), as may be amended from time to time. In your first year of employment, your vacation entitlement will be pro-rated from your start date. You will also have the opportunity to participate in our Employee Share Purchase Plan and take advantage of our Employee Banking Offer that provides preferred rates on many of our banking products and services. You can read more about our industry leading offerings in Benefits at a Glance.

You are required to:

- Be legally eligible to work in Canada with a valid Social Insurance Number and, where applicable, a valid work permit which allows you to fulfill the requirements of your role, as determined by CIBC. You will also be required to show your valid Social Insurance Number and, where applicable, your valid work permit to your manager within the first 3 business days of your start date.

Manandeeep Gill
2114 McCormick Rd, Apt 410
West Lafayette, Indiana 47906
United States of America

Dear Manandeeep:

Tesla, Inc. ("Tesla" or the "Company") is pleased to offer you the exempt, salaried position of Data Analytics Engineer on the terms set forth below. As a Data Analytics Engineer, you will perform the duties customarily associated with this position. You will report to Arunkumar Sivasankaran. Your duties, responsibilities, job title, and work location may be changed at any time by Tesla.

Your annualized salary will be US Dollar \$140,000.00 per year, subject to standard payroll deductions and withholdings. As an exempt employee, you will not be entitled to overtime. You will be eligible for paid time off according to Tesla's standard policy. Subject to the rules of the applicable plan documents, you will also be eligible to receive other benefits Tesla may provide to its employees (e.g., health and dental insurance coverage) beginning on your date of hire. Tesla may consider you for bonuses, although the amount of such bonuses, if any, and the criteria for determining the award of such bonuses, if any, shall be in the sole discretion of Tesla. Of course, Tesla reserves the right to modify your compensation and benefits from time to time, without advance notice, as it deems necessary.

Tesla offers a competitive benefits package described below:

Equity Grant: Should you decide to accept the position, we will recommend to Tesla's Board of Directors, or committee thereof, that the Company grant you an equity award with the value of \$ 87,500.00 in the form of Restricted Stock Units ("RSUs"), which will vest as described below. This value is determined based on our standard equity granting policies, as further described below. This award shall be subject to the terms and conditions of Tesla's 2019 Equity Incentive Plan and your Award Agreement, including vesting requirements.

Specifically, the RSUs shall vest over a period of four years as follows: twenty-five percent (25%) of the award shall vest on the first anniversary of the vesting start date (the first March 5, June 5, September 5 or December 5, as the case may be, after the end of the month in which you were hired, such date to be indicated in your Award Agreement) and six and twenty-five hundredths percent (6.25%) shall vest each quarter thereafter for the following twelve quarters, in each case subject to your continuing eligibility through the applicable vesting dates and subject to the terms of your Award Agreement. No RSUs shall vest other than on the first anniversary and twelve subsequent quarterly vest dates, and no right to any vesting shall be earned or accrued prior to such date.

New Equity Awards will be visible in E*Trade approximately eight weeks from your hire date. Grants are generally scheduled for approval on the 19th day of the month following your hire date. On the grant approval date, the average monthly market value of Tesla's stock price during month of hire is used to determine the number of shares granted (equity award value / average price), for RSU grants.

Please be aware that Tesla makes no representation about the future value of the equity award granted herein, and you should be aware that the value of this award will fluctuate in the future. Finally, the receipt of this award is subject to your signing the appropriate Award Agreement through the E*Trade portal.

401K Program: You will be eligible to participate in Tesla's 401K program after your first pay check. Our 401K program is for training and placement officer.

Pragya Gautam

Dear Pragya,

We are pleased to offer you employment in the position of **Member Technical Staff** with **Oracle India Private Limited, IDC ("Oracle")** Your base of operation is **Noida, India**. This offer of employment is made based on India laws.

We offer you a starting compensation at an annual rate of **INR 9,00,000.00** payable over twelve (12) months. In addition, you will be eligible to participate in the standard compensation plan relevant to your role and line of business.

The break-up of your total gross compensation is given below:

Components	Amount (INR) p.a.
A. Basic salary	3,76,518.00
B. Flexible Benefit Plan (FBP) **	4,60,189.00
C. Annual Gross Pay AGP (A+B)	8,36,707.00
D. Company's contribution to PF	45,182.00
E. Company's contribution to Gratuity	18,111.00
Total Gross (C+D+E)	9,00,000.00

** - Details of Flexible Benefit Plan is provided in the Annexure "Employment Agreement & Employment Benefits"

The Company may, at any time, review and/or restructure the Compensation Package.

Relocation Assistance:

If you accept your employment offer, Oracle has agreed to make a contribution of **INR 220069.89** toward relocation costs under the JAPAC and India Relocation Program. Please note that this amount includes your relocation budget as well as estimated service or tax fees that may apply. The relocation policy is structured to provide flexibility based on your personal needs. You will be able to allocate your available funds toward relocation services up the maximum budget amount and within the parameters of the Relocation Policy.

Oracle has partnered with SIRVA for relocation in Japan, APAC and India. Your manager will initiate your relocation with SIRVA after an Oracle purchase order has been created and approved. You will be contacted by SIRVA within 24 hours of your relocation authorization. If you are not contacted by SIRVA within a few days, please contact your Oracle manager to ensure s/he has completed the necessary steps to authorize your relocation.

Do not take any steps to initiate your own relocation prior to speaking to SIRVA. Doing so may result in a refusal to reimburse associated costs. SIRVA will review the Oracle JAPAC and India Relocation Policy and processes with you and help you manage the relocation budget.

Before receiving any relocation assistance you will be required to sign and return a Relocation Agreement (provided and collected by SIRVA).

We are pleased to offer you employment with **Intuit India Product Development Center Private Limited** ("Intuit" or the "Company") pursuant to the terms and conditions set out in this Offer Letter and Employment Agreement ("Agreement").

Terms and Conditions

1. Position and Commencement of Employment

You will be employed by the Company in the position of **Software Engineer 1**, or to such other position as Company Management may determine from time to time. Your tentative date of joining will be **July 20, 2020** and this will be confirmed closer to your joining date through a separate offer letter and employment agreement, which will replace and supersede this Agreement.

You will be governed by the rules, regulations and other Company policies (together the "Company Policy") of Intuit as applicable, enforced, amended or altered from time to time during the course of your employment. You will also be governed by statutory laws enacted by Central or State Government or local authorities as may be applicable from time to time.

As a member of an organization that practices flexibility and continuous improvement in work processes and practices, your roles and responsibilities may vary. You are required to report to our office in Bangalore. You will be reporting to such person in Intuit as may be indicated to you from time to time. However, your services are transferable and can be seconded or deputed by the Company to any of the Intuit operations or operations of Intuit's associate Companies in India or abroad.

Subject to your executing the Employee Invention Assignment and Confidentiality Agreement attached hereto as "Annexure B", and this Agreement and reporting to duty on or before your agreed upon Start Date, your employment is effective from the date of joining.

Upon the commencement of employment, you shall submit to the Company details of your bank account into which your salary may be credited.

2. Salary and Benefits Salary

Your annual salary (or "Fixed Pay") will be **Indian Rupee (INR) 1,350,000**, which will be comprised of a basic salary and appropriate contributions and allowances as summarized in Part 1 of the attached Annexure A.

As a regular employee of the Company, you will also be eligible for the Company's benefits, as established from time to time. The Company reserves the right to modify, amend or terminate any employee benefits or compensation programs at any time for any reason, without compensation for any such change or discontinuance.

Sign-On Bonus

Also included with this offer is a one-time sign-on bonus of **Indian Rupee (INR) 200,000.00** which will be paid out generally within the first thirty (30) days following your start date (the "Sign-on Bonus"). The Sign-on Bonus will be subject to appropriate statutory deductions and withholdings as may be required in accordance with applicable legislation. In the event you resign prior to your one (1) year anniversary of employment with Intuit, you agree to repay a prorated portion of the Sign-on Bonus back to Intuit. To determine the amount to be repaid, Intuit will take the total pre-deduction and withholding Sign-on Bonus amount and reduce it by 1/12 for every complete month of service you completed following your Start Date.

IPI

You will be eligible to participate in Intuit's Performance Incentive Plan ("IPI"), a cash incentive compensation program. You will be eligible to participate in the Company's current fiscal year, and your incentive is prorated based on your start date. Intuit's fiscal year begins August 1 and ends July 31. Payouts under the IPI plan are tied to the achievements of Intuit and individual performance

Dear Lavisha,

We are delighted to offer you employment with Goldman Sachs Services Private Limited ("GSSPL" or "the firm") as an Engineering Analyst in the Consumer and Wealth Management Division in Bengaluru.

The enclosed Statement of Terms and Conditions of Employment ("your Statement") sets out the particulars of your employment with the firm, which will apply to you upon joining.

You will be expected to comply with the policies and procedures as outlined in the India Employee Handbook.

Conditions of Employment

Your offer of employment with GSSPL and after the commencement of your employment, your continuing employment with GSSPL is conditional upon:

- satisfactory results of a pre and post-employment background checks, reference, criminal, credit, education checks and other necessary checks
- your not being subject to any obligation, whether under a contract of employment or otherwise, which would in any way restrict your ability to undertake or perform your duties with the firm
- your eligibility to work in India. Under Indian Immigration laws, foreign nationals must have appropriate employment visas before their employment commences
- your obtaining any relevant registration, qualification or licences, within 12 months of the commencement of your employment with the firm
- satisfactory completion of the Probationary Period
- in circumstances where your previous employer has an office in India, your providing the firm with a relieving letter from your previous employer, within 2 weeks of the commencement of your employment
- you agree that you will cooperate fully with the Firm (and its respective counsel, if applicable) in connection with any client matter, inquiry, investigation, administrative proceeding, litigation or dispute relating to any matter relating to the Firm in which the Firm believes you were involved or of which you have knowledge. These obligations survive the termination of your employment
- for candidates who were referred to Goldman Sachs by a government official or by an employee of a client or prospective client of Goldman Sachs, or who have a close personal or financial connection to such individuals, the Firm's offer of employment is conditional on resolution of any actual or perceived conflict of interest. In some instances, this will include a confirmation from the applicable client, prospective client or government entity that it is aware of the referral or relationship

In due course you will be required to complete an employment health questionnaire.

Dear Lavanya,

OFFER OF EMPLOYMENT

I am pleased to offer you a position as a Software Engineering AMTS within salesforce.com India Pvt. Ltd. (hereinafter "Salesforce.com" or "Company"). In addition to confirming the offer, this letter ("**Offer Letter**") sets out the terms and conditions of your employment and outlines the current major features of the Company's compensation and benefits plans and practices. This offer is based on your unequivocal acceptance of the same, any counter offer or conditional acceptance is subject to acceptance or rejection of such counter offer/proposal by the Company in writing.

COMMENCEMENT OF EMPLOYMENT

Your appointment will commence on July 05, 2021, and you will report to Neha Goel. Your employment is contingent on the results of a background check which may include a personal history check and reference checks, and verification of education and work history. If the results of your background check reveal information that is inconsistent with our standards or if contrary information given by yourself, this offer may be cancelled and/or your employment with the Company may be subject to immediate termination.

The nature of your functions, duties and responsibilities as Software Engineering AMTS has already been indicated to you. A non-exhaustive list highlighting the same shall be given to you, which is only indicative of the general requirements commensurate with your designation. You may be required to perform duties other than those listed as your supervisory/ reporting senior may request in writing if the need so arises.

COMPENSATION COMPONENTS

Your annual base salary will be 1,500,000.00 INR per annum.

Base Salary: All employees are paid monthly each month. You will receive your payments via wire transfer. You can break up your compensation into different components according to your requirements as permitted by current Income Tax rules provided that your elections result in no additional cost to the company. Some allowances now attract the fringe benefit tax which is payable by the employer, hence the clause "at no additional cost to the company."

Bonus Plan: You will be eligible to receive an initial annual discretionary bonus pursuant to the Company's Gratitude Bonus Plan based on your individual performance, Company performance, and the Company's funding formula. Your initial bonus target for the Company's fiscal year (February 1 through January 31) shall be 10% of your base salary and will be paid according to the terms of the Gratitude Bonus Plan, which is subject to change at the Company's discretion, and prorated accordingly for

Dear Bhavya,

We are pleased to offer you a position as the **Software Development Engineer of Expedia Online Travel Services India Private Limited** ("Company"/"Expedia"). You will initially report to **Engineering Manager** or such other person(s) as the Company may designate from time to time. The Company may change your reporting line and/or introduce additional levels of management above the person to whom you report.

The office of the Company and your place of work is currently located in Gurgaon although the Company may require you to work from other locations in accordance with the needs of the business. You agree to travel (both within and outside of India) as may be required for the proper and efficient performance of your duties of employment.

The Company, may, at its sole discretion, from time to time, require you to carry out your duties from home. This does not give you a contractual right to work from home, and if the Company does exercise its discretion to ask you to work from home, this will not amount to a contractual variation of your main place of work. If the Company does request you do work from home, then you agree that you will do so and for this purpose the Company will provide you with reasonable equipment to facilitate home-working, the exact equipment provided to be at the absolute discretion of the Company.

In addition to the duties and responsibilities assigned to you in your role as **Software Development Engineer**, you may also be required to undertake other work from time to time as directed by the Company. You agree to perform your duties faithfully, conscientiously and to the best of your ability.

Your commencement date for employment under this contract will be agreed and communicated to you separately ("**Joining Date**").

You acknowledge that Expedia will undertake reference and background checks in relation to your suitability for employment. This offer and your employment with Expedia remain subject to satisfactory completion of background checks confirming your qualifications, references, immigration permissions and public records. These checks may be undertaken at any time prior to, or during, your employment with Expedia. In the event any of these checks are not completed to Expedia's satisfaction, you agree that Expedia may immediately terminate your employment.

Ms. Archana Dash,
Room No: 54, Krishna Hotel,
Indira Gandhi Delhi Technical University for women,
Kashmere Gate, Delhi (110006)

Dear Archana,

We are pleased to offer you a position of **Engineer Trainee (Grade - T0)** with **Hughes Systique Private Limited (HSPL)**, in Gurgaon, a wholly owned subsidiary of **Hughes Systique**. Your Annual Total Compensation (ATC) would be **Rs. 500000/-**. In addition, the company provides certain other benefits to its employees. The break-up of your ATC and details of various benefits is given in Annexure-1

As part of working at Hughes Systique you would have access to company confidential and client confidential information. As per company policy you would be required to sign a Proprietary / Confidential Information, Inventions and Non-Solicitation Agreement (PIIA) at the time of joining the company.

Based on the company's business needs, the company may decide to transfer you abroad or within India. You will be governed by the prevailing rules, regulations, policies and guidelines of the Company including those posted on the Company's intranet.

Your employment with Hughes Systique can be terminated either by the Company or by you by giving the other party 2-month advance notice. Hughes Systique reserves the right to allow you to adjust your accumulated Privilege Leave and / or salary (Basic + FB) in lieu of notice period not served. Prior to leaving the company, you will necessarily ensure that all your ongoing activities are successfully completed and properly handed over as per the company guidelines on the separation process. The company may also terminate your employment without notice and without payment in lieu of notice period in the event of misconduct. Without prejudice to the generality of the scope of the term 'misconduct' the following events shall amount to misconduct:

- a. Committing any act of indiscipline which includes but is not limited to Gross Negligence, Willful Insubordination or Disobedience, Misbehaviour and Unauthorized Absence.
- b. Found in breach of your obligations under:
 - Proprietary / Confidential Information, Inventions & Non Solicitation Agreement
 - Company's Code of Conduct
- c. Non Compliance with any of the terms & conditions of your employment or instructions / regulations issued by the company from time to time.

Please sign the enclosed copy of this letter to indicate your acceptance of the offer and send this to us by **November 24, 2017**. We would like you to join the company in the **3rd quarter of 2018**. Actual date of joining would be confirmed towards the end of **2nd quarter**. Please note that this offer of employment is valid only on your having successfully completed the post graduate course. We will be proud to have you as a member of our team and working towards making Hughes Systique a great organization.

Yours sincerely,

Rohit K Sahu

Explanation of benefits

This section gives details of the various benefit schemes provided for employees of HSPL and the way they are administered. Coverage under any of these plans may be subject to certain requirements or limitations. This information cannot be used to modify any coverage that is listed in separate insurance documents, policies, trust deeds, etc. In all cases, the provisions of these documents and policies and letter of offer (and subsequent changes) would apply. The company reserves the right to amend any compensation plan or information given in this section without prior notice. Please talk to Human Resources for further assistance.

1. **Provident Fund (PF)**: PF is a statutory benefit available to all regular employees of HSPL.

Coverage: Automatic on joining HSPL, 12% of the employee's basic pay is contributed to the PF account of the employee every month. The company will contribute an equivalent amount every month. Out of the Company's contribution, a part of the contribution (subject to a maximum of Rs. 541 per month) is payable to Pension Fund maintained by Regional Provident Fund Commissioner (RPFC). However, this ceiling is subject to change as notified by the PF authorities from time to time. Interest will accrue on all accumulations.

Benefits: Accumulations will gather compounded interest annually in the course of membership as per prevailing PF rules. The total accumulations can be withdrawn from the Trust at the time of retirement. You shall be entitled to receive Pension on retirement from the RPF commissioner as per the existing rules. In case of earlier separation, the accumulated amount can be withdrawn or transferred subject to prevailing PF rules at that time.

Loans: Employees may apply for loans to the Trust for specified purposes as per PF rules. Both refundable and non-refundable options are available.

2. **Gratuity Scheme**: The employee becomes eligible for gratuity benefits under the scheme after completion of three years of employment. The gratuity is equivalent to 15 days salary for each completed year of service (a month means 22 days for the purpose of calculating gratuity). The gratuity is payable on retirement from service or separation from the company or in the event of earlier death. In case of death while in service, the nominee will get gratuity calculated as though the employee had worked in HSPL until the retirement age.
3. **Local Client-Site Allowance**: Employee deputed to local client site in Delhi/NCR will be eligible for a local client-site allowance of Rs. 7500 per month. This is given in order to compensate the employee for meeting miscellaneous expenses in-lieu of facilities that may not at times be available at the client site. The site allowance will be prorated for the period that an employee is deputed at the client site.
4. **Company Lease**: HSPL provides for company lease for renting of residential accommodation. The lease amount is adjusted against HRA as declared by an individual. HSPL would pay the security and advance (usually equivalent to six months rent) and recover from salary over 24 months.
5. **Working Hours**: The general office working hours are from 8:30 a.m. to 5:30 p.m. Monday to Friday with a lunch break in between. However, because of business requirements, specific projects / teams work in late night shifts and are entitled to hardship allowance (on a prorated basis) as per policy. The management, reserves the rights to amend the number of working hours, timings and days purely in line with the business requirement. HSPL provides flexible working hours too.

6. **Leaves and Holidays:** There are 10 holidays in a calendar year. Additionally, the company provides 14 days Casual/Sick Leave (CL) and 18 days Privilege Leave (PL) per year (on a pro rata basis depending on number of months worked in the company in a year). Holidays and weekends (or weekly offs) are not counted as leaves.
7. **Maternity / Paternity Leaves:** The company provides maternity benefits to all eligible female employees as per the company policy on Maternity Leave and the provisions of the Maternity Benefits Act. All eligible male employees are provided Paternity Leave as per the company policy.
8. **Transport:** Transport facility is available on a cost sharing basis to all employees residing in Delhi, Noida, Faridabad and Gurgaon from designated pickup points and will be extended to all new joiners based on availability of seats in the vehicles plying on a particular route. The charges are levied based on the location from where the employee is using the service. Employees can choose to avail the Company Car Lease (if applicable to your grade) or the Company Provided Transport Service. However, as per IT rules, in case an employee chooses to benefit from the Company Provided Transport, he / she would not be eligible to avail tax benefits under the Company Car Lease.
9. **Cafeteria:** The company provides free of cost lunch facility to its employees at its cafeteria.
10. **Medical Insurance:** The company provides Medical insurance cover to the employee, spouse, dependents children and dependent parents of employee. The cost of this is shared between the employee and the company.
11. **Term Life Insurance:** The Company provides coverage under the Group Term Life Insurance Plan. In case of an unfortunate demise of an employee (for any reason except suicide), his / her nominee would get the benefit (life cover) under this plan. The payment will be done by the insurance company, and would be guided by their terms and conditions. In case an employee leaves the services of the Company, the life cover would be withdrawn automatically.

Hi Srishti,

Hope you are doing good!

It was great to have you interned at Microsoft, Hyderabad in your second year in Foundry and hope you liked the work too. We're pleased to offer you a 8 weeks' Internship in your third year as well. The tentative DOJ is 14th May, 2018. Please notify your college about it and let us know your acceptance at the earliest.

Kindly let me know if anything else is needed from our side.

Hi Team,

Thanks for giving us the opportunity to come and recruit at IGDTUW. We look forward to coming next year for full time recruitment too.

This time for the 6 month internship we have selected Nimisha Sehgal from MCA for Software Development role.

Also, Shruti Mudgil from M.Tech is waitlisted for Software Testing Profile. We'll confirm her selection once we receive an acknowledgement stating interest in the role and profile offered from her side.

We'll be releasing the appointment letter tomorrow for Nimisha.

Dear Team,
Greetings from Microsoft India University Recruiting Team.
We are pleased to extend Full Time offers (PPO) with Microsoft India Development Center to the below mentioned students.

Atima Syal
Ishani Pandey
Prachi Verma
Nikita Jain

Please congratulate the students on our behalf and let us know their acceptance within 24 hours. Please ensure that the students who are offered do not participate in placements with other companies.
Note: If the above mentioned candidates do not graduate next year (i.e., 2nd year or dual degree), request you to please share the same with us as this offer will be then considered as a returning internship offer and not a full time one.
Students who have not received a PPO are not eligible to sit for any Full Time / Internship placements off campus and on campus with Microsoft for the next one year. Any offer that might come during such placements stands invalid.
Kindly revert for further clarifications.

Letter of Intent

To: Date: 7-Aug-2020

The Placement Officer,
IGDTUW

Sub: Intent of Offers being extended to the students of Batch of 2021

Dear Sir/Madam,

We thank you for the support extended during the Campus interviews. We are pleased to announce the final shortlist. We would like to extend the letter of intent of offer to the following students at your campus:

Name	Degree	Branch	BU	Role	Offer Type (FTE / Internship)
Sesha Mukkar	B.Tech	CSE	AppD	Software Engineer Test I	FTE
Aarushi Singh	B.Tech	CSE	AppD	Software Engineer Test I	FTE

This letter of intent indicates Cisco's intent to hire students based upon a number of factors, including, but not limited to Cisco's receipt of a completed application, successful completion of a background check and successful completion of degree and performance in the internship (in case of Intern + Full time offer).

Please note that the company reserves the right to withdraw the offer on account of any other business or extenuating factors. Also, the company reserves the right to revoke and withdraw the offer without assigning any reasons thereof.

Yours Sincerely,
For Cisco Systems (India) Private Ltd.

Dear Team,

Trust this find you well

We would like to thank you and all the students who attended the campus drive and recruitment process from the college. We regret to inform you that unfortunately, we do not have any one clearing the interview process.

However, we would like to extend the offer for 6 months internship as Data Science Intern for the below mentioned candidate. Basis her performance during 6 months internship, she will stand an opportunity to bag an offer towards end of 6 months. Request you to kindly help us with the acceptance by tomorrow EOD.

Name	Email	Institute	CGPA	Phone Number
Vrinda Rastogi	rastogi.vrinda@gmail.com	IGDTUW	8.3	9990259036

Please provide us with the details of the candidate in the attached excel, if she agrees to accept the internship offer. Also, please specify the tentative beginning of the internship date for her.

We look forward to your continued support in the future.

Please let us know in case of any queries.

Fri, Sep 11, 2020, 8:15 PM

Hello Team,

Greetings from Indira Gandhi Delhi Technical University for Women!

This is regarding the 6 months internship program for the Microsoft PPO holders. With reference to the above-mentioned opportunity, we would like to inform you that the following Microsoft FTE Selects from IGDTUW are immensely interested in pursuing the 6 months internship at Microsoft from Jan 2021 to June 2021 :

S. No.	Name	Email Id
1.	Prashansa Gupta	prashansag52@gmail.com
2.	Khushboo Verma	khush.vv@gmail.com
3.	Kriti Bindra	kritibindra12@gmail.com
4.	Ishita Bansal	bansashita1237@gmail.com

We would like to inform you that although 6 months internship is not mandatory as a part of our college curriculum, but IGDTUW allows its final year students to pursue 6 months internship in their 8th semester provided students are willing to take the responsibility to manage their internship and college curriculum as well.

Therefore, as per the conditions stated, these students are willing to prioritize their internship work provided by Microsoft and will be committed to deliver the requirements on time, and would be grateful if given the opportunity to learn and be better prepared for the upcoming Full-Time Role.

Thank you for your time and efforts, we'd truly appreciate your considerations for this matter.

Warm Regards,
Prashansa Gupta

Fri, Oct 16, 2020, 11:16 AM

Dear Rahul and team,

Hope you are doing well!

Three students had the great opportunity to work with your esteemed organization in the summer of 2020 as interns. While the conversion results for the interns were supposed to be rolled out by September 18, 2020, we are yet to hear back from you regarding the offers for two of them.

As mentioned in our WhatsApp conversations, these students have already received offers during the on-campus placement activities and are waiting for the conversion results to confirm their acceptance for the same.

We request you to kindly roll out the results on the earliest, and also to let us know when the same would be possible.

Below are the details of the interns who are yet to receive any updates. Please note Japleen Kaur Jolly has already received her offer letter.

Intern Name	Email ID	Software/Hardware

Dear Dr. Dhanoa/ Isha,

Greetings from Google!

We are excited to share that Google India was privileged to host your students as interns over the last couple of months. We've been constantly in touch with the interns and heard great feedback from them about their project and experience here. We also regularly connected with their hosts and learnt about all the valuable contributions they have made to the project. They worked hard on building their skills and expanding their scope to ensure they delivered to the objectives of their internship.

We would like to keep you informed that our internship conversion interviews have begun. While in progress, we expect to complete the process and share the final list of offers with you by September 18, 2020.

Below are the details of the interns who are in the process of their interview:

Intern Name	Email ID	Software/Hardware
Isha Gautam	ishagautam1998@gmail.com	Software
Jap Leen Kaur Jolly	jap.jolly@gmail.com	Software
Ria Arora	arora09ria@gmail.com	Software

In the meantime, if you do have any queries, please feel free to reach out to us.

On the left, a sidebar lists various mail folders such as 'Inbox', 'Starred', 'Drafts', and 'Chats'. The main content area shows an email from 'Bakshi, Munisha' dated 'Thu, Nov 5, 2020, 5:48 PM'. The email body contains a request to remove shortlisted candidates from the process and includes a table with the following data:

Candidate	College	Req Title
Akanksha Kulsreshtha	IGDTUW	M TECH
Ridima Ahuja	IGDTUW	M TECH
Simran Kaul	IGDTUW	B TECH
Shivangi Rauteela	IGDTUW	B TECH

Below the table, the email concludes with 'Thanks & Regards,' and a '[Message clipped] View entire message' link. A second email header from 'Official TPO IGDTUW' is partially visible at the bottom of the screen.

Dear Dr NR Chauhan & Dr. Jasdeep Kaur Dhanoa,

We thank you for partnering with us in our recruitment drive 2021. Our team has been thankful for your efforts and appreciative of your support across our process.

It gives us immense pleasure to announce 14 students have been shortlisted from your prestigious institute and we would be glad to extend a Letter of Intent to them. Students will also receive an email and SMS notification on their selection.

It has been an exciting journey for us and are glad to have had an opportunity interviewing your students. You can contact Shreeji (shreeji.verma@accenture.com) or me for further queries.

Our team will be in contact with students as we proceed further in the process till they onboard us.

Dear Sunidhi,

Greetings of the day!

We at eLitmus are committed to providing better opportunities to our associated students and colleges.

It gives me immense pleasure to inform you that the following students from **IGDTUW** have bagged an offer from **TATA Electronics**. Following are their details along with their **pH score and Enrollment number**:

eLitmus Id	Grad Univ. Enrollment No.	Name	Gender	Branch	College	Batch	eLitmus pH(%ile)
4466966	301042017	Ankita Mishra	Female	Mechanical	IGDTUW	2021	98.02
4466766	2201042016	Rythm Jain	Female	Mechanical	IGDTUW	2020	97.33

We believe that problem-solving is one aspect that is pivotal in long-term success/growth of a person in a job.

eLitmus pH test is designed to measure the natural ability of a person and not just mathematical aptitude.

It is not only for freshers who are looking out for a job but also for people who want to assess themselves on their real-life problem-solving skills and grow.

I will sign off with a thought that eLitmus will strive every day to provide our stakeholders (colleges and students) with better growth opportunities.

Please reach out to me in case you have any doubts that need clarifications, I am just a call away.

Warm Regards,

Nabil Ahmad

Hi Tanya

Of the 3 positions that we had, we have selected

1. Kritika Kalia for one of them
2. For the other opportunity, though Sonal was one of our shortlist and we had to select between her and the other candidate, the other one was more preferable. Now since you have confirmed that she might not be interested, we would proceed with the other candidate. Final select is NOT from IGDTUW
3. For the last positions, we are still interviewing and not selected. One of the shortlist is Satya Muskan from IGDTUW. If she get selected finally, will let you know.

Thus as of now, the selected student from IGDTUW is Kritika Kalia and she will soon receive either letter of intent / or internship offer from someone from BH

ANIL BAIJAL

Lieutenant Governor,
Delhi

The Indira Gandhi Delhi Technical University (IGDTUW) has evolved as a premium national institution providing technical education to women in India. Over the years, it has established itself as a crucible where young and industrious minds get shaped into capable professionals, ready to take on the dynamic requirements of the industry and the corporate sector.

The university has remained committed towards imparting quality education while inculcating life skills of leadership, discipline and team work in its students. The graduates of IGDTUW have time and again proved their mettle by excelling in personal entrepreneurship ventures and also by securing placements in top multinational companies.

I extend my good wishes to the entire Training and Placement Team of the University for extending support and facilitating the students in making informed choices about their future works options.

It fills me with immense pride and joy to see the women of Indira Gandhi Delhi Technical University for Women achieving and establishing new benchmarks of success year after year. The concerted efforts of the administration, faculty and students are indeed a testament to the indomitable spirit of the women of our country and the massive powerhouse of industrial acumen they possess.

Indira Gandhi Delhi Technical University for Women, with its state-of-the-art curriculum and competitive environment, has enabled its talented students to realize their maximum potential, which is clearly evident in the laurels they continue to achieve across academic, industrial and entrepreneurial domains. It is providing a learning platform that promotes innovation, research and leadership in young women to keep pace with global advancements. I am ecstatic about the benefits IGDTUW students stand to reap from this esteemed institution across technical and management fields.

I herewith convey my heartiest congratulations to the faculty, staff and students of IGDTUW and wish for their bright future.

DR. AMITA DEV

Vice Chancellor,
IGDTUW

Since its foundation in 2013, Indira Gandhi Delhi Technical University for Women has never ceased to strive for excellence. The university's motto - "Aapo Deepo Bhava" has been the guiding philosophy behind all our collective endeavors - encouraging the students to find the light within and use it to illuminate the world around them. IGDTUW women are doing this through their immense talent, professional aptitude, and social awareness.

I feel honored to lead an institution that is facilitating women to realize their full potential and ace in all that they wish to pursue in life. IGDTUW graduates have topped UPSC and have held prominent government posts, they have carved a niche for themselves in this competitive industry — making an impact wherever they go. This has largely been made possible because of the empowering and supportive environment of IGDTUW where everyone is encouraged to mold and become their best selves. When they graduate - they don't just step out as professionals but as leaders, enablers, changemakers - the torchbearers of our country's bright future.

We have tech giants such as Google, Microsoft, Uber, Intuit, Goldman Sachs, Adobe to name a few, visiting our campus for the placement drive. Our institute had concluded the final placement season for the 2020-21 batch by surpassing the previous year's benchmarks with 431 job offers to students from various national and international organizations. Among the packages offered, 59.5 LPA package, ranked highest which was offered by Google.

On behalf of the University Community, I invite the students and recruiters to explore the opportunities we offer. I look forward to our pleasant, healthy, and fruitful association.

MESSAGE FROM PRO VICE-CHANCELLOR

From a tremendous beginning in 2013 Indira Gandhi Delhi Technical University for Women has grown into an organization par excellence. The guiding philosophy of the University has been the creation of awareness among students so that they can face the challenges globally IGDTUW through its various development programs. gives the students an edge over their counterparts by enabling them to prepare themselves for a world that is yet to be created. for jobs yet to be invented, and technologies yet undreamed of. The objectives of imparting education, combined with creation are being met in an integrated form to create a synergetic impact

Indira Gandhi Delhi Technical University for Women provides the ambience where creativity and new ideas nourish, producing leaders of tomorrow by imparting knowledge blended with excellence and innovation. Technology is changing every day to cater the needs of the industry and I am felicitous to say that we have faced the challenge successfully and adapted ourselves according to the requirements of the industry.

I extend my best wishes to the faculty, staff and students of the University for all their future endeavors I take pride in cordially inviting the recruiting organizations and graduating students to find the best match between their needs and capabilities.

MESSAGE FROM REGISTRAR

Ever since its inception, Indira Gandhi Delhi Technical University for Women has been striving for excellence in all aspects of a student's life - from employment to entrepreneurship, from professional acumen to academic excellence, from social sensibility to personal development. It fills me with true pride and happiness to see the graduates of this university doing so well in their lives.

At IGDTUW, we take an interdisciplinary approach towards education - where integrity stands at the heart of all our endeavors. Our students embody this spirit in everything they do - on campus and in their careers. A hub of diverse ideas and students with varied interests, IGDTUW provides its students with the perfect platform to groom themselves for the world - stepping out as strong, independent women cognizant of their role and responsibilities in shaping the future and giving back to society. This unique blend of varied capabilities hasn't gone unnoticed by the big players of the industry and it is with great pride that we say that you can find at least one IGDTUW woman in the offices of all the companies that are driving innovation today.

I extend my heartiest congratulations to the placement team for ensuring that our talented students find the perfect place to exercise and showcase their immense talents.

MESSAGE FROM TPO (ICE)

DR. JASDEEP DHANOA

Professor and
TPO (IT, CSE, ECE),
IGDTUW

It fills me with immense hope and pleasure when I look back and think about how far Indira Gandhi Delhi Technical University for Women has come in such a short span of time. To see a women's university in a field where women have historically been underrepresented stand shoulder to shoulder with giants is the strongest testament to the vast potential that IGDTUW and its students possess.

It is a matter of great pride and honor to be the Training and Placement Officer of this esteemed institution. The vast potential and talent of our students haven't gone unnoticed in the industry and year after year we witness an increasing number of companies approaching the Training and Placement Cell to hire graduates from IGDTUW. We are grateful to our industry partners and research firms that have trusted us for years and helped the university reach the zenith of success. Graduates of IGDTUW are hard-working, intelligent, dedicated women who leave no stone unturned in surpassing the industry standards. They have carved a niche for themselves in this world as incredible leaders, managers, team players, and technocrats.

It has been a sight of immense pride to witness the exponential rise of placement rates at IGDTUW and I am very hopeful about the laurels that the future has in store for IGDTUW.

On this note, I would like to extend a warm welcome to all the recruiters for the placement season 2021-22.

MESSAGE FROM TPO (MAE)

DR. NATHI RAM CHAUHAN

Professor and TPO(MAE),
 IGDTUW

On behalf of the Department of Mechanical and Automation Engineering I extend a cordial invitation to all interested organizations, to Indira Gandhi Delhi Technical University for Women where they can find skilled engineers with good practical and hands-on knowledge. **"In this era of technical innovations, IGDTUW"** has carved a niche for itself and has grown to become a synonym of quality technical education. Every year, we attract several sharp minds and nurture them into dedicated, motivated and hardworking professionals. Our students have proven themselves time and again by constantly surpassing industry expectations. With a view to bridge the gap between industry requirements and academics, the university has developed a unique curriculum that helps students excel in various fields. Apart from regular academics, the students engage in various competitive projects both at national and international levels, such as Shell Eco Marathon, SAE Supermileage Vehicle, Bajaj SAE India, Supra SAE, World Skill India, AWIM(A World in Motion) by Maruti to name a few, and have won prestigious awards and recognition. With top-notch practical training and a dedicated Training and Placement cell, our students have managed to bag placement opportunities from leading companies like BAJAJ. Hindustan Unilever, MG Motors, Honda. General Electric etc even during these trying times. I am confident that these young women would be an asset to any organization. I therefore cordially invite the recruiters for this placement season and look forward to a mutually beneficial relationship.

ABOUT US

Indira Gandhi Delhi Technical University for Women (IGDTUW) was established by the Govt. NCT of Delhi in May 2013 vide Delhi Act 09 of 2012, as a non-affiliating University to facilitate and promote studies, research, technology, innovation, incubation, and extension work in emerging areas of professional education among women.

Since 2013, the University has steadily grown exponentially and continued to provide pertinent practical education in the fields of technology, management, and research.

OUR MISSION

IGDTUW aims to bring forth young, passionate and dynamic women engineers. The objective of the University is to foster industry-relevant research and innovations and empower the women of our country through value-based higher education making them employable, self-reliant, responsible citizens of the country with concern for the environment and society.

MAE PLACEMENT HIGHLIGHTS 2021-2022

Placement season for the Graduating Batch of 2022 began in full swing from the month of July 2021. Currently, 25 B.Tech (MAE) final years and 04 M.Tech (Robotic and Automation) students have full time offers (FTE Offers) from various reputed companies. Furthermore, 25 B.Tech (MAE) final year students have 6-month internships. One of the M.Tech (Robotic and Automation) students has successfully setup a Start-up and ventured an entrepreneurial journey.

This year there has been a significant rise of new companies from previous years. Many core mechanical companies such as ExxonMobil, TVS Motors, Volvo and Schneider Electric have visited the campus for the first time to hire for Full Time Employment. Further, an addition of companies that visited first time for 6-month internship hiring were Schneider Electric, ZS Associates, Myntra and Philips.

The MAE Training and Placement Cell regularly organises industry interaction activities and competitions to help the students stay abreast of current industrial trends and gain key technical skills to become proficient engineers in their fields. Three final year students won Eaton Pratibha Scholarship and were awarded with a cash prize of Rs. 60,000/- each. A team Yantriki, a technical (Single-seater ATV design and fabrication) team were the Overall Winners of ATVC 2021 and won a cash prize of Rs.32, 000/-. Three Pre-final year students and one final year student got honoured by the Hon'ble Deputy CM of Delhi, Sh. Manish Sisodia for their exemplary performance as a Mentor Leader in the Education Mentoring Program. Five Pre-final year students were the part Microsoft Engage 2021 Mentorship Program and two Pre-final students are the recipient of Grace Hopper Celebration Student Scholar'21.

With ongoing visits from companies who still in the process of hiring we expect 100% and above students being placed by the end of placement session. The following table shows the placement data of visited companies and students hired for Full Time offer and 6 Month internship respectively.

At technical univ for women, placements beat Covid trend

New Delhi: Despite the pandemic, the placement season has seen a good start for students of Indira Gandhi Delhi Technical University for Women (IGDTUW). While Amazon has offered a CTC of Rs 33 lakh per annum to two students till now, Google has offered a CTC of Rs 30 lakh pa to two students.

In a statement, the university said that although the placement season has just started, top companies like Microsoft, Google, Goldman Sachs and many more have offered pre-placement offers to its students. "Visa has offered two students a package of Rs 27 lakh. PhonePe has extended offers to two students with a CTC of Rs 30.5 lakh. Six students have grabbed an offer of 23 lakh from Goldman Sachs. Wells Fargo offered a CTC of Rs 23 lakh to two students. Another has received a CTC of Rs 20 lakh from Wells Fargo."

Dear Nishitha Bhalia

Congratulations! Intuit India Product Development Center Private Limited ("Intuit") would like to express our intent to extend an offer to you for a **Summer Internship position**. We hope you are as excited about this opportunity as we are to have you join our team. We will be following this letter up with a formal offer and employment agreement.

Included in our competitive offer will be the following:

- Montly Stipend
- Relocation & Housing (if applicable)
- Paid Privilege Leave and Holidays

In order to get your offer to you, we need you to take the following steps:

Your recruiter will send you a formal offer and employment agreement which will include stipend information, hiring manager, location, and start date. The following page includes a summary of the typical terms of employment for a POSITION at Intuit.

Everyone who met you was impressed with your qualifications and we are very excited about the possibility of you joining the Intuit team.

Sincerely,

Mohan Kumar
Senior Talent Acquisition Program Manager
Intuit India Product Development Center Private Limited

Terms and Conditions

Any offer of employment will be subject to certain terms and conditions which will be set forth in the formal offer letter. Any offer of employment will be subject to certain terms and conditions which will be set forth in the formal offer letter. Some of those terms are summarized below. If there are any conflicts between this letter of intent and your employment agreement, the employment agreement applies, not this letter of intent.

Any offer (and your employment) will be contingent on:

- Verification of your background information, even if you start employment before the verification is complete.

Of course, in order to start employment you will also need to confirm that you are not aware of any agreement that would limit you in any way from working for in the position offered, including, for example, non-competition agreements.

This also confirms that you will not be asked to disclose to any secrets or proprietary information from your prior places of employment.

Subject: SHORTLISTED STUDENTS CONFIRMATION : ION Group : IGDTUW

Hello,

As discussed, we would like to thank you for the opportunity to recruit in your campus. It was a great experience for ION Group. After internal discussions, following candidates have been provisionally selected.

These results are pending approval from our Global CEO and we will be able to provide the offer letters by the end of day, August 29, 2018. We would like to congratulate the candidates on their provisional selection.

1. Archi Jain
2. Bhavya Bansal
3. Ayushi Mehndiratta
4. Deeksha Anand
5. Priyam Bansal
6. Divanshi Jain

Thank you,

MESSAGE

Indira Gandhi Delhi Technical University for Women (IGDTUW) is a premier institute for women in our country which strives to educate and nurture its students for the dynamic and highly competitive demands of the industry. The university believes in delivering quality education while boosting leadership qualities, team culture and requisite professional skills amongst the students.

The graduates of IGDTUW have time and again proven that women can shine and progress in every sphere, if given equal opportunities. Year after year, the students have successfully bagged prestigious job offers from reputed industry conglomerates and multinational companies. It is a matter of pride for all of us, to see the young women graduates/ post graduates of IGDTUW contributing immensely to to the knowledge economy in India and abroad and evolving into skilled professionals, entrepreneurs and leaders of tomorrow.

I would like to extend my warm wishes to the entire placement team of the Univeristy for facilitating holistic grooming of the students while securing excellent placement opportunities for them in different specializations. I congratulate all the students of previous years and extend my best wishes to all aspirants of placements in 2020-21.

MESSAGE

Indira Gandhi Delhi Technical University for Women continues to strive towards excellence since its inception in 2013 as First Government Women Technical University in India. To be a part of this forward and intellectual environment is indeed a matter of stupendous pride for me.

The devouring stride of the university has been exemplary in transforming itself into an icon of women empowerment. In these six years, IGDTUW has evolved to become a national flagship research-led university with a mission to foster intellectual and ethical environment to promote technical and professional education. It also aims at teaching, training and elevating students at independent level where they can achieve higher level of excellence and professionalism.

The university offers various courses like B.Tech, M.Tech, BBA, MCA, B.Arch and various PhD. programs in Engineering Technology and management.

IGDTUW provides various placement and internship opportunities for its students with the help of its exemplary team, making the recruitment process productive and positive for all the visiting companies. With an unprecedented increase in the number of companies that visit us every year, there's no doubt that our university is a placement hub providing quality students who are now placed in various National and Multinaional companies.

On this note, I warmly welcome all the recruiters to our university this placement seaso and hope that you become part of our extended community.

MESSAGE

Indira Gandhi Delhi Technical University for Women, Delhi (IGDTUW) has evolved as one of the fastest emerging centres for excellence engaged in teaching and research fields of Engineering, Technology, Applied Sciences and Management. The university promotes inter-disciplinary education and research to enhance the professional and technical fervour and skill of the students to cater the needs of the industry. Students are not only exposed to well-defined academic programmes but also enhance their skill sets by participating in various industry sponsored projects. Students also actively participate in the various technical competitions which hones up their technical skills. This enables the students to be industry ready and I am sure they will come to the expectations of prospective recruiters.

In a very short span of time, IGDTUW has established its reputation as a quality education provider among student communities, industry and national and international academic fraternity. It is a preferred destination for aspiring women engineers across the country.

The campus placements at IGDTUW have always been remarkable. Our graduates and post-graduates have been selected by leading multinational corporations and research/academic institutions. All the recruiters have consistently appreciated the intellectual excellence and the creativity of the students of this university. The students really have made us proud!

I appreciate the efforts of our vibrant Training and Placement Cell who are in constant touch with industries for the training and placement of our students. I am sure our recruiters find our students very competent and they will be visiting us regularly. We look forward towards enduring and fruitful relationship with our esteemed recruiters.

MESSAGE

Indira Gandhi Delhi Technical University for Women has established itself among the most sought after universities for women in the country. Every year throngs of women join our campus to kick-start their career in the world of science and technology. Since its inception as the university, the graph of IGDTUW's progress is only going upwards and the reputation it has earned is monumental.

The same growth can be seen in the number of national and multinational companies visiting our campus every year. This growth is attributed towards our rigorous academics coupled with hands-on training to meet the industry standards and prepare our students for the competitive future. We deeply value our partnership with the industries and research-oriented firms that have placed us on the pedestal of excellence.

We are extremely proud of the intellectual and well-rounded women we deliver to various industries who handled themselves with much rationality and creativity. The benchmark we've set so far in terms of university's placement records makes us feel proud and propels us to work even harder. Therefore from the bench of Training & Placements Department, we'd like to warmly welcome all the Recruiters to our campus. We hope that this placement season is fruitful experience for your firm and an enriching one for us!

MESSAGE

On the behalf of Department of Mechanical & Automation Engineering, Indira Gandhi Delhi Technical University for Women, I want to extend a warm welcome to the recruiters for this placement season. Every year, IGDTUW attracts several sharp minds and present to you dedicated, self-motivated and hardworking students. The university has also consistently shown great contribution to the industry as well as society and ranked as the top emerging technical university in India.

The unique curriculum has led to the development of various courses of technology as per interest of students. Apart from regular academics. the students are also engaged in various competitions and projects both at National and International levels like Shell Eco Marathon Asia, SAE Super Mileage Vehicle, Baja SAE India, Supra SAE, World Skill India, Smart India Hackathon, AWIM (A World In Motion) by Maruti Suzuki etc. throughout the year where our students have won various prestigious awards and recognition. The Dy. DM of Delhi, Shri Manish Sisodia and former CM of Delhi, Smt Sheila Dixit have also embraced the students of university with their blessings. We also have a number of workshops and laboratories for practical training of our students along with mandatory 2 months Summer Internship that gives them hands-on experience as per the industry. Eminent companies like M G Motors, Exxon Mobil, Bajaj Automobile, Fluor Daniel, Tata Motors, General Electric, General Motors, Honda, Microsoft have been our regular recruiters for full-time employment and internships.

I cordially invite the recruiters for this placement season and hope that it turns out to be a worthwhile experience.

OUR VISION

Our vision is to make India a knowledge society and a knowledge economy by empowering the women of our country through education in engineering, science, architecture and technology. To become a leading technical university in the country known for its value based quality technical education compounded with industry relevant research and focus on environmental and social issues.

OUR MISSION

- To foster an environment of excellence professional education and ensure active participation of women in the field of Engineering, Science and Architecture, while striking out a work life balance.
- To start new professional courses for women in various disciplines and form alliances with industries so as to impart pertinent education.
- To liberate women through pursuit of knowledge and enable them to achieve equal status in the society and help them realise their rights and responsibilities.
- To develop a sustainable system and state of the infrastructure to enable Indian women to become future managers and productive team players in the field of Science, Technology and Management.

ABOUT US

Indira Gandhi Delhi Technical University for Women (IGDTUW) is a premiere institute for the women of the country. Over the years, we have made rapid strides towards excellence. Our commitment to flourishing opportunities for women has produced several executives, researchers, managers and leaders of the society. We provide a land of opportunities to all those women who are passionate about Science, Technology and Research. IGDTUW's mission to collaborate with industries and provide pertinent and practical education has produced professionals with profound intellect. Academic rigour compounded with industrial engagement throughout the year provides sound exposure to the engineers in making. Our ultimate motive is to bring forth young, passionate and dynamic women engineers. The institute has always believed in the growth of its students into responsible and accomplished women in all spheres of life.

HISTORY

Erstwhile Indira Gandhi Institute of Technology (IGIT) was established by Department of Training and Technical Education, Govt of Delhi, in 1998. From 2002-2013, the institute remained the first and the only constituent college of Guru Gobind Singh Indraprastha University. In May, 2013, it gained autonomy and became the first women's technical university in India.

Today, Indira Gandhi Delhi Technical University for Women is also South Asia's first women technical university and is ranked one in the list of emerging universities in India.

A DEGREE DESIGNED FOR YOU

The CBCS provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).

HOW DOES IT WORK?

Semester

The assessment is done semester wise. Each semester will have 15–18 weeks of academic work which is equal to 90 teaching days. There is flexibility in creating the curriculum and assigning credits based on the course content and hours of teaching.

Credit system

Each course is assigned a certain credit. When the student passes that course, he earns the credits which are based on that course. If a student passes a single course in a semester, he does not have to repeat that course later. The students can earn credits according to his pace.

Comprehensive continuous assessment

There is a continuous evaluation of the student not only by the teachers but also by the student himself.

How is the credit counted?

One credit per semester is equal to one hour of teaching, which includes both lecture (L) or tutorial (T) or two hours of practical work/field work (P) per week. A study course can have only L component or only T or P component or combination of any two or all the three components. The total credits earned by a student for each semester is L+T+P.

Core Course

This is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

Elective Course

Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill.

Foundation Course

The Foundation Courses may be of two kinds: Compulsory Foundation and Elective foundation. "Compulsory Foundation" courses are the courses based upon the content that leads to Knowledge enhancement. They are mandatory for all disciplines. Elective Foundation courses are value-based and are aimed at man-making education.

G R A D I N G

• **Grading:** UGC has introduced a 10-point grading system as follows:

O	Outstanding	10
A+	Excellent	9
A	VeryGood	8
B+	Good	7
B	AboveAverage	6
C	Average	5
P	Pass	4
F	Fail	0
Ab	Absent	0

The duration of the B.Tech program is a minimum of 4 years (8 semesters), during which students will need to earn 172 credits in order to be awarded with the degree.

Computer Science and Engineering

Electronics and Communication Engineering

Information Technology

Mechanical and Automation Engineering

CSE

Computer Science & Engineering is an academic program at many universities which comprises scientific and engineering aspects of computing.

ECE

electronics and communications engineering utilizes nonlinear and active electrical components (such as semiconductor devices, especially transistors and diodes) to design electronic circuits, devices, integrated circuits and their systems. The discipline typically also designs passive electrical components, usually based on printed circuit boards.

BACHELOR OF TECHNOLOGY

How to apply?

The student should have 60% or more marks in an aggregate of Physics, Chemistry and Mathematics and has passed English as a subject of study at the Senior School Certificate Examination Level (Core or Elective) AND having JEE Main Rank (Paper I). To apply the student has to participate in Joint Admission Counselling (JAC). For further details visit www.jacdelhi.nic.in

IT

Information Technology is an engineering division, which concentrates on the study of utilizing computers and telecommunications in order to control, gather, store and circulate information. Both software and hardware sectors are parts of Information Technology.

MAE

Mechanical and automation engineering mainly focuses on designing and manufacturing of machines. Engineers design and assemble engines and power plants, structures and vehicles of all sizes and deals with use of machines, control systems and information technologies.

The student should have 50% aggregate marks in Physics, Chemistry and Mathematics and also at least 50% in aggregate of the 10+2 level examination or has passed 10+3 Diploma Examination with Mathematics as compulsory subject with at least 50% marks in aggregate AND qualified JEE Main (Paper II) examination. To apply the student has to participate in Joint Admission Counselling (JAC). For further details visit www.jacdelhi.nic.in

BACHELOR OF ARCHITECTURE

This course consists of various aspects of different streams of humanities, engineering, aesthetics, etc. The syllabus consists of various theory subjects, studio, project work, practical training, and research training. It is a five year course.

BACHELOR OF BUSINESS ADMINISTRATION

BBA syllabus aims to impart knowledge through practical experience in the form of - case studies, projects, presentations, industrial visits and interaction with experts from the industry. It is a three year course.

Earning an MBA gives you valuable business acumen, expands your professional network, and creates new opportunities.

MASTERS IN BUSINESS ADMINISTRATION

The student should have graduated with minimum 60% marks in aggregate or equivalent CGPA from a recognized university/institution with Score in CAT 2019. The student has to apply through Common Management Admission Committee (CMAC). For further details visit www.cmac.admissions.nic.in

The student should have 50% Marks in 10+2 Examination from recognized board and have passed English (Core/Elective/Functional) as a subject. The student has to apply through Common Management Admission Committee (CMAC). For further details visit www.cmac.admissions.nic.in

IGDTUW campus is a fully Wi-Fi enabled campus, all areas of campus are covered with Outdoor and Indoor wireless access points which are working 24x7 for providing seamless wireless internet connectivity to users through Security Firewall with authentication of every user in campus. Email IDs are given to every Faculty and student of IGDTUW.

Learning Resource Centre

Learning Resource Centre (LRC) is web based fully automated library serves as the premier source of academic information for the University community through its rich collection of textbooks, journals and reference materials.

The LRC has a focused collection of print, electronic, and audio-visual materials in the areas of science, engineering, technology, technical communication and management to support the learning and research activities of students and Faculty.

More than five thousand journals of following electronic resources: IEEE Digital Library, ACM Digital Library, ASME Journals, Science Direct, JSTOR India Collection, American Mathematical Society (AMS) Journals are available online to the members of the LRC in campus LAN.

OPAC (Online Public Access Catalogue) is available at University's intranet. User may use OPAC to ascertain availability of material needed by them.

Users may log on to PAC to verify their circulation data, to reserve documents, to suggest a new document to be procured for the library. Library provided access to 4044 NPTEL Video Lectures of MAE, ECE, CSE and Architecture on the Campus LAN. IGDTUW is members of NDL (National Digital Library), to avail access to NDL to students, e-mail address of all the students uploaded on the NDL Portal maintained by IIT Kharagpur.

Also IGDTUW has been admitted as an Institutional member of DELNET- Developing Library Network.

Hostel Services

The University has two women hostels - Krishna Hostel and Kaveri Hostel, to accommodate approximately 350 students.

These two hostels are located on the University premises. The hostels provide a safe, secure and clean environment for the students to grow, learn and mature in a home away from home.

All rooms are on twin/triple sharing basis and are equipped with individual beds, chairs, built-in cupboards and study tables. In addition to this, IGDTUW Hostels provide purified drinking water (RO), housekeeping services, Wi-Fi facility, newspaper/magazines, TV, Washing machines, facilities of hot water for residents, paid laundry services etc.

The hostel authorities always facilitate to create an environment for the students to study, do well in their academics focus on their career and future.

Students desirous of seeking hostel admission shall apply immediately after the completion of their admission process for IGDTUW. Students are required to produce the University admission fee receipt at the time of submission of application for the hostel admission.

The residents use the campus playground for games like Basketball, Badminton, Volleyball and skating. Indoor table-tennis court and badminton court also exists in the hostel premises for the residents. The hostel also has its own gymnasium for residents

The residents use the campus playground for games like Basketball, Badminton, Volleyball and skating. Indoor table-tennis court and badminton court also exists in the hostel premises for the residents. The hostel also has its own gymnasium for residents.

The campus provides all the basic facilities required for a student.

Guests House

The guest house within the campus has limited accommodation for the staying purpose of individuals visiting campus. The rooms are comfortable with all modern facilities available within.

Bank

A branch of Punjab and Sind Bank is available in the University premises with ATM facility to enable students, Faculty and staff members to receive convenient banking and money withdrawal services.

Medical Facilities

The health services at the University are provided through the health centre located in the campus.

The dispensary is equipped with over the counter medicines, bed to rest in, medical equipment, physical screening tools and first aid facility. The University has tie up with nearby Hospitals for emergency transfer.

Computer Center

The University has a centralized computing facility housed in the Computer Centre, which is equipped with the newly procured Computer Systems with a high end configuration. The hardware is configured to operate in a dual boot mode

providing support for the latest version of two broad classes of operating systems, namely, Windows Professional Edition and Linux based Ubuntu-with long term support.

WiFi

College provides a free connection of WiFi especially for students so that there is no obstacles in their projects or for that matter, management work.

Common Room (GCR)

This room can be used anytime for any purpose. But is mainly used for the purpose of anything the student body wants to organize; ranging from the auditions to events or meetings. It is a quite popular place during break or free time.

It is equipped with fitness equipment, yoga facility and indoor games.

Photocopy Shop

There is an in-campus shop for printing, photocopy, binding related work for our students so that they won't have to roam all around the city.

Canteen and Snacks Corner

The campus also includes a Snacks shop by our beloved Tiwari Uncle since 2001, a brand new Nescafe block and Mangat Ram Uncle's Ice Cream stand standing since 2001 too.

Common Ground

The campus has a huge grass field with a volleyball area. Also there is a separate Basketball court.

General Store

A cooperative General Store for day to day needs of the hostel residents is also available inside the campus.

We share our campus with Ambedkar University of Delhi (AUD). IGDTUW and AUD stand side by side sharing the common ground and Auditorium.

Department of Applied Sciences and Humanities

The Department imparts quality education in the area of Physics, Chemistry, Mathematics, Soft Skills & Communication and Management to the future technocrats of all streams.

Strong engineering background supported with sound knowledge in basic and applied sciences equips graduates with many skills that would contribute to success in their careers in academia, research and industry.

Environmental Analysis and Research Lab

The lab is equipped for the measurement, processing and analysis of aerosols and organic pollutants in the ambient atmosphere. Research work is being carried out on emission estimates of organic compounds from biomass and fossil fuels, aerosols and volatile organic compounds in the atmosphere. Research is going on for the synthesis and characterization of a novel clay based Nano-composite with its application in water and waste water treatment for removal of trace metals. The synthesized material would be patented, for which the filing is under process. Work has also been undertaken on bioremediation of trace metals in the waste water.

Nanomaterials and Thin Films Lab

Research work is presently being undertaken in application oriented thrust areas of nanotechnology like gas sensing, graphene nanocomposites, solar cells, high-energy radiation detection and biosensors. Research work is being pursued on nanocomposites of graphene to evolve highly-selective room-temperature gas sensing materials. Low cost synthesis of bismuth tri-iodide composites is also being carried out for optimizing them for high-energy radiation sensing. Work is also being done in the field of solar cells with prime focus on NiO nanoparticles; fabrication of biosensors for various bioanalytes using nanostructured metal oxides; Nanomaterials and Conducting Polymer Composites for EMI Shielding, Biosensor and various other applications; Data Driven studies of Protein DNA interactions.

Digital Image and Speech Processing Lab

The lab is equipped with Image Processing software and equipment like Matrox Image processing library and Pinnacle studio plus. The laboratory has a panoramic imaging lens and a stereo camera along with range of lenses and other optical research instruments. Currently research work is being pursued in allied areas in digital image processing like aberration estimation and removal, reflection removal, determination of optical flow and neural networks.

Nanofabrication and Catalysis Lab

Presently research work is being undertaken on: i Fabrication and use of carbon based materials and metal oxide nanoparticles in environmental remediation, Photocatalysis, antimicrobial activity studies, Biosensors etc ii Fabrication and use of Reduced Graphene oxide-Zinc oxide/Titanium Dioxide nanocomposites and their applications as photocatalysis and antimicrobial studies iii Graphene based smart nanomaterials, Quantum dots, Polymers and Graphene based smart adsorbents in nanocarrier based drug delivery system.

Department of Architecture and Planning

Architecture and Planning education is geared towards deepening awareness about environmental as well as social issues and realities. Besides imparting knowledge, there will also be an endeavor to create opportunities for students to engage with real life issues, so that they can reflect on their role in creating a better world.

Lab Infrastructure

CAD lab: The CAD Lab has 20 state-of-the-art computers with latest versions of software and operating system to develop skills of students in 2D and 3D drafting. The lab also has software to assist students in climatic analysis of building designs, modelling, designing and editing software like Revit 3D, GIS Mapping etc.

Survey lab: Survey lab is well equipped with various surveying instruments which are also regularly used for off-campus survey of the sites on which design problems are based in order to develop analytical skills of students.

Carpentry, Metal work workshop: The workshop is well equipped and students are regularly given demonstrations of various joinery and construction details in timber and metal work to build deeper and nuanced understanding of behaviour of materials.

Material Museum: The Department has a well-stocked material museum, to expose students to various dimensional and behavioural properties of materials, and also challenges of their use and installation on site.

Climatology Lab: The Department has established a climatology lab and is in the process of upgrading it as well. The tools of lab are extensively used for climatic analysis of both existing and new to-be constructed buildings, so that bio climatic comfort can be created in a cost effective way using passive design methods.

Resource Room: A resource room has also been established in the Department having various resources in both print and model form.

Department of Computer Science

The Department of Computer Science and Engineering was established in 1998. The Department offers B.Tech. in Computer Science and Engineering and M.Tech. CSE (Artificial Intelligence). The Department also started Ph.D. course in 2014.

The CSE Department has a talent pool of outstanding Faculty members, who, besides teaching, have been actively involved in various research and professional activities like, member of editorial boards of leading journals, running industry sponsored projects and transferring the technology developed in the lab to the industry. There have been numerous publications by Faculty members in International/National Journals/Conferences covering latest areas of research. Faculty keeps on participating as Keynote Speaker /experts on various professional platforms. Department works on the vision and mission of creating skilled manpower in all emerging areas of computer science especially in the area of Artificial Intelligence.

It has started a new course M.Tech. CSE (Artificial Intelligence), designed on CBCS Pattern. The B.Tech. Course is also completely revised as per CBCS scheme and now gives much flexibility to students to study the subjects of their choice.

Lab Infrastructure

The Department has well equipped labs for practical and research work in the following domains:

1. Advanced Database and Mobile Database Systems
2. Software and Advanced Software Engineering
3. Advanced Computer Networking
4. Programming Labs on various platforms
5. Embedded System and Design
6. Computer Graphics and Multimedia
7. Network Security and Management
8. Mobile Architecture Programming
9. Artificial Intelligence

Department of Information Technology

Since its inception, the Department started a four-year B.Tech.(IT) course in 2010 and a three-year post graduate course in Computer Applications (MCA) in 2011 to nurture talent in the field of information technology through IT solution development.

The Department of Information Technology, founded in January 2010 is the fastest growing Department. The Department has shown incomparable innovation, research aptitude, intellectual talent, technical skills, and problem-solving skills through active participation of Faculty, research scholars and students at national and international level.

With information technology at the peak, there also comes a need of securing the IT environment, hence the Department launched a Postgraduate course in Information Security Management M.Tech.-ISM in 2013 (now renamed as MTech.- IT (ISM)) to provide knowledge base and work force with requisite expertise to cater to the needs of industry and information technology in enhancing the security dimension of IT and cyber world. To exemplify R&D activities, the Department started the Ph.D. course in 2014 and currently 16 research scholars are pursuing the research work in the Department. Technical events like Espectro, Advaya have been successfully conducted by the Department under the aegis of ACM Society since 2011.

Lab Infrastructure

The Department boasts of a state-of-the-art, centrally air-conditioned Computer Centre with newly procured high-end configuration computing systems. In addition, there are Software Design Lab, Distributed Computing Lab and Information Security Lab to address the growing computing needs of the students at the Department. The labs are equipped with latest configuration computer systems to meet the computing needs of the students. Recently, the Department established a software development cell to cater the requirements of automation of various divisions of the University. The Department houses a library of its own to provide focused and concentrated access to the learning material in the field of Information Technology to its students, Faculty members and staff.

- **MoU with NASSCOM Foundation for thingQbator Lab**

Signed a Memorandum of Understanding (MoU) with NASSCOM Foundation on 11th May, 2018 for starting “thingQbator” course of CISCO at IGDTUW. thingQbator is a CISCO funded course for the skill development of young people in India under its CSR Mandate. Under this course, a lab with latest IoT equipment including 3D printer, IoT Gateways, IoT Platforms, Development Boards, and various other kits has been established by NASSCOM Foundation at the University.

The course aims to provide a platform where University students could work together with like-minded colleagues, get exposure to the latest Internet of Things (IoT) technology - and turn their ideas into working prototypes in an environment that encourages a hands-on culture. The course is implemented by NASSCOM Foundation through its partners.

- **MoU with Cyber Peace Foundation**

Signed an MoU with Cyber Peace Foundation (CPF) on 17th January, 2019 to promote research and development activities in the area of cyber security and forensics.

A Centre of Excellence on Cyber Security and Forensics will be established in the Department, where students and Faculty members will be involved in quality research work along with exposure on real life case studies.

- **MoU with IBM (I) Pvt. Ltd**

Signed MoU with IBM (I) Private Ltd. for technical upgradation of the students and the Faculty members on latest technologies. Experts from IBM will mentor the students for their projects, internships and will conduct Workshops, Seminars and FDP time to time.

Department of Electronics and Communication

The Department of Electronics & Communication Engineering was established in the year 1998.

In the existing scenario of rapid and sophisticated development in the field of electronics and Communication and its allied fields, the Department's intent and focus has always been to produce globally competitive and socially sensitized engineering graduates and to bring out quality research in the emerging areas of Electronics and Communication Engineering. The Department is committed to provide quality and contemporary education in the domain of Electronics and Communication Engineering through latest curriculum, state-of-the-art laboratory facilities, collaborative ventures with industries and effective teaching-learning practices. Considering the latest trends in industry and research, the Department has recently revised the Under Graduate curriculum to enhance the employability of students.

Lab Infrastructure

The Department has the following state-of-the-art laboratory facilities managed by Faculty coordinators and staff-in-charge:

- VLSI Design
- Digital Signal Processing
- Embedded System Design
- Communication System
- Analog Electronics
- Microwave and Radar Engineering
- Microprocessors & Microcontroller
- Digital Circuit & Systems
- Electrical Science & Control Engineering
- Mobile Communication
- Optical Communication

The labs are equipped with Desktops with latest operating systems. In addition to Licensed software - Cadence, Synopsys, Mentor Graphics, students and Faculty also work on Xilinx, Modelsim, Orcad software, FPGA kits, Microwind, and MATLAB, to name a few.

The Department offers a strong research orientation to students in the areas of Communication Systems, Signal & Image Processing, Embedded systems, Microelectronics and VLSI Design. The Faculty members, who besides teaching, are active in conducting research as evident from their list of publications in International/ National conference proceedings/Journals.

The Department has highly qualified and experienced Faculty and Staff Members. Faculty is actively involved in various research and professional activities along with dedicated teaching. All Faculty members have been contributing to research and development in form of patents and publications in reputed peer reviewed journals. A number of MNCs have been collaborating with Department and have contributed to Research & Development of Department. Every year meritorious students secure admission to the courses offered by the Department. Ph. D scholars have also received favourable response with various government research grants being sanctioned. Students and Faculty members have been actively participating in National and International Conferences and have research contributions in areas such as Design Engineering, Robotics, CAD/CAM/CIM, Mechatronics, Automation, Computational Engineering, Advance Manufacturing Systems, Automotive and IC Engines. Department has an active Student Chapter under the aegis of Society of Automotive Engineers (SAE) and American society of Mechanical Engineers (ASME). Students of MAE Department have been participating in many car design competitions such as Baja, Supra, Effi-cycle, Shell Eco Marathon, ISIE and have been bringing laurels to the University. Industrial Visits, Workshops, and Expert Lectures are regularly organized. and receive active student participation.

Lab Infrastructure

Department provides Laboratory infrastructure for the smooth conduct of practical sessions for the following:

- CAM Lab
- CAD Lab
- Robotics Lab
- Mechatronics Lab
- Engineering Measurement and Metrology Lab
- Machine Shop & Metal Cutting Tool Design Lab
- Engineering Graphics Lab
- Fluid Mechanics Lab
- Strength of Material Lab
- Automobile Engineering Lab
- Theory of Machines Lab
- Engineering Mechanics Lab
- Material Science Lab
- Refrigeration and Air conditioning Lab
- Thermal Engineering Lab
- Heat transfer Lab
- Central Workshop with following shops
 - a. Foundry
 - b. Welding
 - c. Sheet Metal
 - d. Fitting
 - e. Carpentry
- Project Shop.

Department of Mechanical and Automation

The Department of Mechanical & Automation Engineering was established in 1998. The Department offers B.Tech. in Technical and Automation Engineering, 6 Year Dual Degree [B.Tech (MAE) + MBA], M.Tech (Robotics and Automation) and Ph.D. in different specializations of Mechanical and Automation Engineering.

Department of Management

University has started Department of Management under the Faculty of Business Studies in 2019.

The Department has the vision to be recognized globally as the destination for future leaders and become a center of excellence in management education by creating a knowledgeable society and promoting business and education. Also, we offer management education based on principles and ethical human values, directed towards the changing needs of the professionals, society, industry and Nation.

We aim to provide the aspiring women of India a learning environment to meet the challenges of changing environment and encourage them for continuous innovation and learning. We equip the young minds with skill-based practical business management knowledge and analytical skills and develop entrepreneurial capabilities to facilitate them in emerging as Business Leaders. The Department is currently running a BBA course and is launching a new two-year full-time MBA course starting from Academic Session 2020-21 in order to cater to the growing industry need for Management graduates, with technical background.

WHY HIRE FROM IGDTUW?

Hiring women from esteemed university like IGDTUW promises an improvement in the **GENDER RATIO** and the **QUALITY OF EMPLOYEES** at the firms.

Admission of students into the university happens through **JOINT COUNSELING** with other prestigious universities namely, **DTU, NSUT and IIT-DELHI**. Over the years, several top rankers have secured seats at IGDTUW.

Strong technical fervor and profound intellect of the students attract several **MULTINATIONAL COMPANIES** and startups every year during campus placements. Tech giants such as **Microsoft, Adobe, Amazon** etc have become leading recruiters from IGDTUW.

STRINGENT PLACEMENT POLICY at IGDTUW ensures a fine **OFFER-ACCEPTANCE** and **JOINING RATIO** at your firm.

Students of IGDTUW entirely manage and lead the annual cultural and technical fest, chapters of organisations like **Lean In** and **IEE** and social service clubs such as **Rotaract**. This cultivates **STRONG ORGANISATIONAL BEHAVIOUR** and **LEADERSHIP QUALITIES** in the students

INDIRA GANDHI DELHI TECHNICAL UNIVERSITY FOR WOMEN

TRAINING AND PLACEMENT BROCHURE 2020-2021

IGDTUW

About Us

Indira Gandhi Delhi Technical University for Women (IGDTUW) has been upgraded from Indira Gandhi Institute of Technology in May 2013 vide Delhi State Legislature Act 9, 2012, as a non-affiliating teaching and research University at Delhi to facilitate and promote studies, research, technology, innovation, incubation and extension work in emerging areas of professional education among women, with focus on engineering, technology, applied sciences, management and its allied areas with the objective to achieve excellence in these and related fields.

IGDTUW aims to bring forth young ,passionate and dynamic women engineers.

The objective of the University is to foster industry relevant research and innovations and empower the women of our country through value based higher education making them employable, self reliant, responsible citizen of the country with concern for environment and society.
