Getting started with Matlab by Garmit Pant (23rd March 2023)

"Getting started with Matlab " was organized by The Arc, the Data Science club of IGDTUW as another installment of the monthly tech-talk series on the 23rd of March in the Seminar Hall and was hosted by Garmit Pant, former EDG intern and incoming SWE intern at EDG. Garmit held an informative session about getting started with Matlab and performing Data analytics tasks using matlab, only to conclude the session with a contest at the end, wherein students had to finish a number of data analysis tasks as set by Garmit on a data set using Matlab. The winners' work was judged by Garmit on the basis of accuracy and optimality of the methods undertaken by them, only for them to win a cash prize worth 3000 rupees at the end.
