# IGDTUW Organizes "VIKSIT BHARAT@2047 EVENT IDEATHON"

The Ideathon was organized by Department of Artificial Intelligence and Data Sciences, in collaboration with E-Cell' IGDTUW, with the which took place on January 24, 2024, at IGDTUW, starting at 11 am. The event saw an impressive turnout with 120+ entries, representing 120 different ideas for the future of India, attracting participants from both inside and outside colleges.

Participation and Theme: The ideathon's theme, "Viksit Bharat @2047," aimed to inspire participants to envision a developed India in the year 2047. The event featured four exciting tracks:

**1. MedTech Marvels (Healthcare)**

**2. FinTech Fusion (Finance)**

**3. WanderWisdom 2047 (Tourism)**

**4. Knowledge Odyssey (Education)**

Idea Submission and Selection: The initial round took place online, where participants submitted their ideas. The team carefully reviewed all submissions and selected the top 5 ideas from each track. The initial round of screening was done keeping in mind the scope of the idea, and the possibility of implementation, the impact it would have on society, and how well the teams have presented their ideas. Then the top 20 ideas progressed to the offline round.

Offline Presentation and Awards: The top 20 teams had the opportunity to present their ideas in front of the panel of judges in offline mode. After thorough evaluations, the judges identified the top 3 ideas across all tracks. To recognize their outstanding contributions, each winning team received a cash prize from a pool of Rs. 10,000. The panel of judges: Dr. Shailesh D. Kamble, Dr. Himanshu Mittal and Ms. Ritika Kumari.

Winners: The top 3 ideas that stood out from all the tracks were acknowledged for their creativity and innovation. The first position holder was the **Team "Centsible" (FinTech Fusion**) with members Ms. Navya Verma and Ms. Shreya Sisodia. Their idea represented groundbreaking gamified financial app offering young adults a holistic solution with various features and a robust messaging platform to empower them on their financial journey. The runners-up was the **Team "Insight Innovators" (MedTech Marvels)** with members Ms. Disha Malhotra, Ms. Deepanshi Dhiman and Ms. Disha Dharam Singh Rathore. Their innovative idea is dedicated to creating an inclusive and accessible solution tailored for visually impaired individuals. The second runners-up was the **Team "Studysync" (Knowledge Odyssey)** with members Ms. Ruchika Bihari and Ms. Ishita Pathak. Their idea showcased a collaborative learning platform which makes impact on how a community can transform education.

The ideathon witnessed active participation from students, professionals, and enthusiasts, creating a vibrant atmosphere of collaboration and idea exchange. The event not only encouraged innovative thinking but also fostered a sense of community within the field of artificial intelligence and data science.

The "Ideathon" proved to be a remarkable platform for ideation and collaboration. By focusing on the theme "Viksit Bharat @2047," the event contributed to the collective vision of a developed and innovative India. The success of the ideathon underscored the importance of harnessing creative solutions to address challenges and pave the way for a brighter future.
